**LOVELL'S MONTREAL DIRECTORY, 1914-15**

The Publishers respectfully inform the public that their agents have finished taking the names of the citizens for Lovell's Montreal Directory for 1914-15. As the names spelled represent so many different nationalities it is difficult to always ensure accurate spelling. They therefore earnestly request that those who take an interest in having their names, addresses and business correctly inserted to send the required information to the office on or before June 20th, as while the publishers take every possible means to obtain correct information they cannot assume responsibility for any inaccuracies.

Orders for subscriptions will not be taken after June 25, when the Directory goes to press. There will not be any copies of the Directory for sale until after subscribers have been supplied.
