500 Stamps For Only 10c

I have a large stock of continentals etc., among which are many good stamps, but as I have no time to go through these I will give them away at 10c per 500.

Only one package to a customer.

STAMP PAPERS

I have hundreds of old stamp papers which make interesting reading but for which I have no use, so I will send 10 to everyone who sends me 5 cents to help pay postage, etc.

DEALERS

I have made up some nice approval books of 60 stamps which are just the thing for small dealers. Average catalogue value of books is about 75 cents each.

1 book for 10c
6 books for 50c
