The Roofing That IS Roofing

The wind, or the rain, or the sun will ultimately "get" your roofs if they are not covered with Nature's roofing—BEAVER BRAND White Cedar Shingles.

White Cedar Shingles GROW: they are not made up of odds and ends of junk. They are cheaper than any substitute, and will outlast all other materials used in the manufacture of roofing materials—slate excepted. Slate is another of Nature's products, and it is the best roofing in the world; next to slate come BEAVER BRAND White Cedar Shingles, made in New Brunswick, Canada, from choice, live logs, by expert sawyers.

BEAVER BRAND WHITE CEDAR SHINGLES

keep the house and barn cool in summer and warm in winter; they don't add to their cost every year with a coat of paint; their first cost is the last.

ONCE FIXED, ALWAYS FIXED.

REPAIRS FEW AND SIMPLE.

This Engine Will Cost You Nothing

You need an engine—get a Gilson on our new, easy payment plan, and it will pay for itself. You have the work for it to do this fall and winter, help is scarce and high-priced—save yourself a lot of worry, and enjoy that "Feeling

of Security" which is such a definite part of the staunch, reliable Gilson Engine. Gilson Engines have long enjoyed an indisputable reputation for dependability, power, simplicity and economy. This year finds us with an even more attractive proposition for the discriminating buyer. Prices of everything you have been buying have been soaring, but by careful management we are able to furnish Gilson Engines at remarkably low prices. Write to-day for catalogue, price and easy-payment plan, stating what size you are interested in.

The fertile prairies have put Western Canada on the map. There are still thousands of acres waiting for the man who wants a home and prosperity. Take advantage of Low Rates and travel via

Canadian Pacific

Information from Canadian Pacific Ticket Agents, or W. B. Howard, District Passenger Agent, Toronto.

LIFT YOUR CORNS OFF WITH FINGERS

Tells How to Loosen a Tender Corn or Callus So It Lifts Out Without Pain.

A noted Cincinnati chemist discovered a new ether compound and called it Freezone, and it now can be had in tiny bottles as here shown for a few cents from any drug store.

You simply apply a few drops of Freezone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can just lift it off with the fingers.

No pain, not a bit of soreness, either when applying Freezone or afterwards, and it doesn't even irritate the skin.

Hard corns, soft corns, or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful! Seems magical. It works like a charm. Your druggist has Freezone. Ask him!
