## Business College Bulletin.

VOL. I. ST. CATHARINES, ONT. No. 1.

The St. Catharines' Business College will, for the coming year at least, give in this space a brief record of its progress, work and successes, together with a short account of its facilities and other matters of interest to the readers of this most excellent journal.

The College is entering on its fifth year with the largest attendance it has ever had, and with a wonderfully improved course of business training, that has been used and found to be perfect during the last year.

It unquestionably has the most thorough system of any business college in the Dominion.

Its students are more successful in obtaining positions than those of any other business college.

Three students from other business colleges have, during the past year, taken a second course here, and gone direct from this college to good positions.

The Shorthand Department is unequalled. Students become fast writers, and have such a thorough training in office work that they secure the best positions by their own merit.

No young man or young woman who wishes to secure the best there is among the leading commercial colleges should fail to send to the St. Catharines' College for full information. The rates are reasonable, and board only \$2.50 per week in private families in the city.
