DIAMOND BRAND

GUARANTEED AS GOOD AS THE BEST

Everything about our Binder Twine is absolutely high grade, from the raw material to the finished product. It is made from the best quality of manilla and long fibre sisal, and we not only recommend it, but guarantee it to be the equal of any binder twine made. It is put up in 5-lb. balls, 50 lbs. to the bale, is covered with canvas and lashed with 22 feet of good rope. Send us your order and there will be no delay, as we can ship the twine immediately.

8⁰⁰ FOR 100 LBS.

DIAMOND BRAND MANILLA BINDER TWINE

AT THE LOWEST PRICE IN YEARS

When you use Diamond  Brand Binder Twine you are not delayed and annoyed by the twine continually breaking or knotting. It will run through the knottor smoothly and evenly. It measures full 550 feet to the pound, has a tensile strength of 135 lbs. or more, and is proof against destruction by insects of all kinds. When ordering, remember that we do not break bales, as 50 lbs. is the smallest quantity we sell.
