

Stationary for all Purposes.

## The "Ohio" Leads 'Em All!

The "Ohio" Gasoline Farm Engine is the only fit engine to have on a farm where one is a good way from the repair shop. It is so **simple** that there's nothing to get out of order. It is comparatively new, having been placed on the market within the past ten years, but in that time it has **outstripped all competitors in public favor.** Its greatest triumph culminated at the St. Louis Exposition, when in competition with other leading gasoline engines it won the Highest Award Gold Medal for efficiency, durability and simplicity. Built in sizes of from 1½ to 50 h.-p. Hundreds in use in Manitoba, giving the best of satisfaction. Write us for catalogue and prices, if interested.

Portable for Threshing.

**BURRIDGE-COOPER CO., LTD., General Machinery Dealers, WINNIPEG.**

**IDEAL**
