Mercantile Summary.

The ratepayers of Dauphin, Man., have expressed their belief in municipal ownership, and will proceed to raise money by debentures to install the same.

The Lake of the Woods Milling Company's storehouse in Montreal was on Tuesday last damaged by fire to the extent of about \$150,000, covered by insurance.

A large flow of oil-gas was struck in the fields of the Egg Lake Oil Company near Edmonton. It is believed that oil will be found within a hundred feet at the most.

The Toronto Lithographing Company, Limited, has been authorized to increase its capital stock from \$195,000 to \$500,000, also to purchase stock in other companies carrying on a similar business.

The Starke Hardware Company's warehouse in Montreal was a few days ago damaged by fire to the extent of about \$70,000, covered by insurance. The Montreal Smallware Company also lost \$10,000.

From St. Flavien, Que., comes word that A. Solomonovitz, after doing a peddling business in the district for several years, settled down into a regular store business in the above named village last fall. He is now reported as arranging a compromise, settling with some creditors at 50 cents, and with others on the best terms possible. In some quarters there seems to be the impression that the arrangement is a money-making one on his part.

**A Change in the
Trusteeship.**

Whether of a Will, Marriage Settlement or Bond Issue, is a troublesome and expensive matter.

Where private trustees are appointed such changes are inevitable.

The Trusts Company alone enjoys continuity of tenure, fixity of residence and permanent records.
