

For Agents, Capitalists, Builders, Carpenters and Trading Men.

NEW INVENTION.

ARTISTIC BAY WINDOW

Or Common Windows Changed to Bay Windows. New in Theory, New in Principle, New in Application. The Latest Architectural Idea. Universally Endorsed. Exceedingly Popular, and Selling Rapidly.

THIS great building improvement is becoming very popular wherever introduced. It adds greatly to the comfort and appearance of new buildings and makes old buildings have the appearance of modern ones. Is very ornamental. Makes rooms cooler in summer and warmer in winter. Creates a circulation of the air and keeps the heat of the sun from the room. The old blinds are used as part of the improvement. No change made in the glass or sash. Carpenters and Builders that want to make from \$10 to \$50 per day instead of the regular wages, will find it just the thing. Parties with Means looking for a business that pays largely can purchase 10 to 20 counties and sell out by counties to carpenters and builders or realize a steady income from royalty. I employ no Agents but sell territory in quantities at low prices, so that the profits are very large, in some cases exceeding \$500 per month. I furnish models and drawings to purchasers and give full instructions. It is not necessary to be a carpenter to sell territory. Send stamp for circulars, engravings and terms. I make easy terms with carpenters on first county to introduce it. No postals answered. Canada for sale (patented March 6, 1882). I refer to the proprietor of this paper and to the leading merchants of Cedar Falls, Iowa. Address with stamp.

HAVING acquired the sole Patent right (patented in Canada, March 6th, 1882.) from Mr. W. S. Garrison, for all the counties west of Ontario, in the Province of Ontario, I am prepared to dispose of the same to Builders, Carpenters, or parties with moderate capital, who will find large returns by the purchase of the rights for one or more counties. Communications, enclosing stamped envelope for reply, addressed to FRANK WOOTTEN, P.O. Box 3640, or 11 York Chambers, Toronto St., Toronto, will receive prompt attention.

AN ENGLISH VETERINARY SURGEON AND CHEMIST, now traveling in this country, says that most of the Horse and Cattle Powders sold here are worthless trash. MAKE HENS LAY will make hens lay like Sheridan's Condition Powders. Dose, one teaspoonful to one pint food. Sold

CONSUMPTION

And all like diseases of the Head Throat and Chest, including the Eye, Ear and Heart, successfully treated at the

Ontario Pulmonary Institute, No. 135 Church Street, opposite the Metropolitan Church, Toronto, Ont. M. HILTON WILLIAMS, M.D., M.C.P.S.O., Proprietor.

The only Institute of the kind in the Dominion of Canada. All diseases of the respiratory organs treated by the most improved Medicated Inhalations, combined with the proper constitutional remedies. Nearly 40,000 cases successfully treated during the past sixteen years for some form of head throat or lung troubles.

CONSUMPTION There is a point which we would advert, and that is the unwillingness of those suffering from diseases of the chest to acknowledge themselves in any danger until their disease has reached an advanced stage. This arises, no doubt, in a great degree from the presumed hopelessness of such cases. We would warn all who have a frequent desire to "clear the throat," and who become fatigued and "out of breath" on every slight occasion, that they are on the high road to all those changes and symptoms which constitute pulmonary consumption—that the disease begins in a majority of cases as "cold," ending in "sore throat" that gradually it extends down the windpipe, rendering the voice slightly hoarse and indistinct, first observed on reading aloud, and that finally involves the bronchial tubes and the air-cells. The seat of the primary disease is in the mucous membrane of the throat, windpipe and bronchial tubes. The expectoration comes from this membrane, and the tubercular matter is deposited on its surface. If, therefore, they would avoid the dangers which attend consumption in its advanced stage, they will not disregard those signs of impending evil, but by prompt and judicious means seek to restore the offending organ to its former tone and health. By the system of Medicated Inhalation thousands of cases are cured after all hope of a cure is past. And thousands are to-day living witnesses of this very fact. Consultation free and prices of the Institute are within the reach of all. If possible call personally for consultation and examination, but if impossible to do so write for a "List of Questions" and "Medical Treatise." BEWARE OF IMITATIONS.—Since Dr. Thomas' Electric Oil has become celebrated, a number of unprincipled persons have been endeavouring to palm off Electron and Electric Oil for the genuine Dr. Thomas' Electric Oil. Beware of these similar named articles. If the originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Electric. We therefore ask the public when purchasing to see that the name Dr. Thomas' Electric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada on the back.
