## A COMMON-SENSE VIEW OF LIFE INSURANCE

No sensible person doubts the high **VALUE** of Life Insurance, but far too many look upon it as an **EXPENSE** to be avoided as long as one may safely do so.

This is a wrong view altogether. Modern Life Insurance is not an expense, but an **INVESTMENT**. Under the Limited Payment Policies issued by The Great-West Life, the Policyholder is himself assured of excellent returns if he lives for a given period. If he dies meantime his heirs reap the benefit.

The Great-West Life Policies embody all the benefits of low premium rates, liberal conditions, and high profit returns to the Policyholders. A leaflet has just been issued showing how very substantial are these profit returns. Ask for a copy.
