

"The Finest Dry Ginger Ale I Ever Tasted"

—said a prominent Brantford man after his first nip of Montgomery's dry Ginger Ale. It's pure, it's sparkling, it's refreshing.

Those who have tasted Montgomery's Velvet Dry Ginger Ale claim for it a delicacy of flavor quite different than the ordinary dry Ginger Ale. Velvet Brand Dry Ginger Ale is made expressly by us to meet the requirements of particular people. We are confident that it is the best obtainable in this vicinity—but you can't appreciate its excellent qualities until you have tasted it—it's different than ordinary dry Ginger Ales and better than imported.

Not only is the Dry Ginger Ale superior, but also many other lines we make are of the highest possible standard. Made in a brand new plant where everything is spic and span, even the boxes and bottles are new. TRY A CASE OF EACH!

[By Special Wire to The Con
MEXICO CITY, April 20.—
loy Rojas, minister of foreign
in announcing that it would
possible to agree to the dem
the United States that the f
that country be unconditiona
luted, gave out the following
ment:

"On the 9th of the present
between 11 and noon, a boat
an American flag and with m
rines and officer landed at a
called the Beach of Turbide, in
pico, Col. Raymond Hinojosa
has charge of defending that
detained the marines and off
conducted them to the preser
the general who had command
fort, Ignacio Morelos Sarago
"It should be remembered
at this time the port not onl
under military control, but wa
standing an attack by rebels.
"General Saragoza, imme
and without even investigatin
case put the marines and off
liberty, placed Hinojosa in
and sent an apology to Rear A
Mayo, the commander of the
can fleet.

"We thought the incident
closed, but unfortunately this
not so, because Mayo sent t
some time afterward an ultim
which he asked that a second
only presented to him by th
of the chief of the fort, Gener
agoza; that the American fl
hoisted at a public place in T
and saluted by twenty-one gu
besides the severe punishme
Hinojosa, stipulating that all
done within 24 hours.

"The term was later ex
when diplomatic pour parties
began between the sub-secreta
foreign affairs in Mexico, the
ter being absent at that date
continued until now.

"The president of Mexico, w
formed of the case, ordered a
investigation of the facts, an
punishment of the guilty offic
were proved he was blame
He also authorized the minis
foreign affairs to express reg
account of the incident. When
came aware that the American
ernment supported the requ
Rear Admiral Mayo relative t
lute of the American flag, whi
not been insulted, he propos
show his good will toward th
erican people, though he di
think that such a request was
proposing that the flags of th
nations be hoisted and salute
practically and simultaneously.

"The American Governmen
not agree with that idea, but i
on Rear Admiral Mayo's r
giving assurance that accordi
international precedence, the
would be returned by America
non after the salute to the Am
flag.

"This was not accepted by
dent Huerta, who insisted up
proposition.

"Then the American Gover
determined that pour parti
brought to an end by the final
ion of President Huerta, with
term which expired at 6 o'clo
night, announcing that if by
time he had not agreed to the
of the American flag as req
the affair would be presented
American Congress for decisio

"The Mexican government
ing that the salute in question
no importance unless previous
formally agreed upon by both
ies, proposed the signal of a p
and the minister of foreign
presented last night a draft o
protocol to the American Cha
Affaires, Nelson O'Shaughnes
"O'Shaughnessy answered th
must consult his government,
he would advise the minister
nature of this answer, and thi
noon he communicated to the
ter the fact that his governme
not accept the idea of a signa
any protocol whatever, but v
an unconditional salute of the
erican flag.

"This Mexican Government
ed, feeling it had done all poss
view of the friendly underst
between the two governments
believing the acceptance of st
