## Go to Church! No Man Too Busy to Give an Hour Each Week to God

**GO TO CHURCH!**  
Is there a man in any community who is too busy to spend one hour each week in church?

There are one hundred and sixty-eight hours in every week. No man is too busy to eat during the week. No man is too busy to snatch a few hours of recreation in every week. No man is too busy to sleep during the week. Yet there are men who will declare that they are so busy they can't afford to give one hour in every one hundred and sixty-eight to worship in God's house. In church you will find spiritual food and rest.

Of all excuses for lack of attendance at church the "too busy" one is the flimsiest. Why isn't a man honest and admit that he doesn't want to go to church? Isn't it a fact that a man has a better feeling within himself and the world in general after he has spent an hour in the house of God?

**ONE OF THE FINEST SIGHTS OF THE LENTEN SEASON WAS THE NOONDAY CROWDS IN THE CHURCHES LOCATED IN THE BUSINESS AND FINANCIAL DISTRICTS OF NEW YORK CITY. THERE MIGHT BE FOUND SOME OF THE GREATEST MEN IN THE COUNTRY. IT IS A HOPEFUL SIGN OF THE TIMES. NONE OF THESE REALLY BIG MEN WAS TOO BUSY TO GIVE SEVERAL MINUTES DAILY TO THE WORSHIP OF GOD. INCIDENTALLY, THESE BIG MEN BY THEIR EXAMPLE PREACHED POWERFUL SERMONS.**

Don't hide behind the "too busy" pretext. It is too thin. If you have an important business or social engagement you will find time for it. God asks you to meet him for at least an hour every Sunday. Can't you arrange your engagements so that you can meet him? The visit will not be a disagreeable one. Surely you are not ashamed to be seen in church? You no doubt have been seen in worse places.

## It All Started From A Bad Cold

**Watford Man Found Relief in Dodd's Kidney Pills**  
Mr. Robt. Taylor, Sr., After Suffering for Two Years, Tells of the Benefits He Got From Dodd's Kidney Pills.  
WATFORD, Ont., June 5. (Special)—Mr. Robert Taylor, Sr., a very estimable man living here, is telling his friends that the pain in his back from which he suffered for some time, has disappeared, and that he gives all the credit to Dodd's Kidney Pills.  
"My trouble started with a cold," Mr. Taylor states, "and though I was treated by a doctor I got no permanent relief. I had cramps in my muscles and stiffness in my joints my sleep was broken and unrefreshing and I perspired freely with the least exertion. I had attacks of rheumatism and sciatica, and though I tried many medicines I found no relief till I tried Dodd's Kidney Pills. I must say they were a great benefit to me."  
Mr. Taylor's troubles came from his kidneys. The diseased kidneys failed to strain the uric acid out of the blood and the results were as he has stated. Dodd's Kidney Pills put the kidneys in working order, the uric acid was strained out of the blood and the troubles went with it.
