Brian Spends \$7 for Theatre Tickets. ment of the evening. Brian too, ant remembrance of Brian's remarks seemed to be having a good time, if of his jealousy, and insensibly in one could judge by the frequency and spontaniety of his laughter. Afterspontaniety of his laughter. After-

fected her greatly; then his cause-less jealousy had shown her a side of his nature she had only dimly self in the profession," she had consuspected. If he were going to develop into a jealous husband, she had gone particularly well and she would have anything but a happy had been praised by Mr. Mandel. time.

She recalled what La Monte had tice to be gone several days; of long to resolve more earnestly than ever business; of protracted remaining in to keep everything connected with usiness; of protracted remaining in the places where large orders had been taken, so making it imperative "Yet it doesn't seem right not to some one be on the spot while they were being carried out.

What would Brian say when he learned all these things? When he understood that part of her job was o go wherever she was sent, either alone or with one of the firm? She smiled to herself as she thought of the entirely detached way Mr. Mandel had treated her; just as if she were a man on a business errand with him. Then her lip curled ever so lightly as she thought that Brian held her so lightly as to think she would have consented to go with any-one save on a strictly business er-But her scorn did not last.

She loved her husband too dearly. "He's a great big goose," she muttered lovingly, then went to sleep, thinks women should stay at home,"
Ruth had come back from her busi-she wanted to add, "and wash ness jaunt with Arthur Mandel in a dishes." most pleasant glow of feeling for her

Ruth gave herself up to the enjoy- | employer. Now she had an unpleas

ward they went directly home. Noth- see the worn, sometimes disheartthey had so little to spend for luxuries. Ruth could understand economy when applied to other things than soon fast asleep. But Ruth could not such and clothes.

Those two items so easily lay aside her anxiety, gance with the theatre tickets he had Someway, she felt afraid. Had you brought home less than usual, the asked her of what, she would have last month. And although she had had no answer ready. Brian's unreasonableness, as she called it, had af-he felt hurt and almost embarrassed when with her, because of it.
"I want to make a name for my-

TORONTO STREETS EMPTY OF AUTOS ON SUNDAY The photograph shows how Toronto strictly observed the second gasless Sunday, when, according to statistics available, less than 1,000 of the 30,000 autos in the city, were running. The top picture was taken an King and Yonge streets at 2.50 p.m., and the bottom photo shows Avenue Road hill at 3.30 p.m., without a single auto in sight.

Mr. J. A. Calder, a Farmer, is Returned There Unopposed

E. W. Nesbitt, M. P., Says **Union Government Has** Made Good

Astonishing Man.

Famous in Canada, from one end of that great Dominion to the other as a masterman, a man of imagination and audacity, Gen. Alexander McDougall, who at forty years of age is Director-General of the Canadian drive staged for Oct. 1st to 4th, got a great start yesterday when Mr. W. S. Brewster was secured for chair and audacity.

Astonishing Man.

Famous in Canada, from one end of that great Dominion to the other as a masterman, a man of imagination and audacity, Gen. Alexander McDougall, who at forty years of age is Director-General of the Canadian Forestry Corps, has made a like impression upon those Englishmen who have encountered him on this side of the Atlantic.

Astonishing Man.

Famous in Canada, from one end of that great Dominion to the other as a masterman, a man of imagination and audacity, Gen. Alexander Mr. John A. Calder, Liberal, of East Nissouri, was elected by acclamation to represent this constitution of an ounce, which will cost very little at any drug store, is said to be succeeding Hon. Newton W. Rowell, who represented this riding until he entered the Federal Government welcome this announcement since an and Mr. Logan Waterous leader of the Atlantic.

the ten teams of Reds, and Dr. J.

Amos leader of the same number as an astonishing man, a man who least Nissouri township, where he man who least Nissouri township, where he man who least Nissouri township, where he in the Green division.

With such strong leadership and a fine line-up of captains and supporters which will be announced in a few days, the drive will no doubt prove one of the greatest member.

The Green division.

Takes your breath away and scatters has for many years been a successful farmer. As the nominee of the Liberal party, he received his election by acclamation because of the agreement between the Prime Minister, Sir William Hearst, and the line of the prove one of the greatest member. ship efforts in many years.

Yesterday also the Ladies' Auxiliary under the presidency of Mrs.
Westaway met and planned for the opening event of the drive nemals.

Westaway met and planned for the could no more stop to copy other peopening event of the drive nemals.

To-day's nomination proceedings were the drive nemals.

westaway met and planned for the could no more stop to copy other peopening event of the drive—namely ple than it could spend ten minutes were the quietest in the history of before a looking-glass in search of this riding, only a small gathering its reflection. This life-force has one passion, and that is work; it is in his work, and the bigger and the harder that work the more he is pleased, also marks another notable change quite unconsciously, affirms its own essence. He lives in achievement.

"Say," he cries, "I'll tell you something that will make you laugh. Listen now. When our fellows are taking a greater interest in the affairs of State was also shown by the fact that nearly all of these lows got over here they thought they'd come to cut faggots. They thought that was all the timber

> "Why, dam it, there's a big tree!" and then fumping up and looking out of the window he exclaims, "Why, dam it, there's two or three trees.' Since then they've cut down a tree in Windsor Park seventeen feet in diameter, and looked at one still living that's mentioned in Domesday Book." Here the general flurg back his head and laughed till the room seemed to shake.
>
> Consider these figures. The Cana-world struggle to a satisfactory end. the room seemed to shake.
>
> Consider these figures. The Canaworld struggle to a satisfactory end. Consider these figures. The Canadian Forestry Corps, the whole expenses of which are defrayed by the Canadian Government, have provided us here in England with 300,000 tons of sawn timber a year, exclusive of 5,000,000 tons of mining timber cut in 12 months.
>
> "The boys are splendid," sa, the general. "There's not a man among of the same and the same and
