************ WILL EXCHIBIT AT CHICAGO rand Trunk Secures Space at the Sports

The Grand Trunk Railway Company has completed arrangements for an extensive exhibition in connection with the second annual Sportsmen's Show to be held in Chicago, from February 3 until February 22. Sportsmen's Show is to be held in the Sportsmen's Show is to be neid in the Coliseum, a large building admirably suited for the purpose. The exposition will probably be the finest that has ever taken place in America, excelling even that held in Philadelphia during last. December. The Grand during last December. The Grand Trunk exhibit will include the collection of large photographs of scenes throughout the resort districts situated on its line, including the Muskoka Lakes, Lake of Bays, Magnetawan River, 30,000 Islands, of the Georgian Bay, Kawartha Lakes, and Lakes Simcoe and Couchiching ,as well as yiews on the Portland division, combining land and water scapes, scenes in the White Mountains, and surf bathing scenes taken on the Maine sea coast. The space to be occupied by the Grand Trunk will be about 4,000 square feet, and will be one of the most attractive and most interesting exhibits at the show. In addition to their pictures, several stuffed fish of a species that inhabit the Canadian

waters will also be included, as well as wild animals that have been caught in the hunting districts in Northern Ontario.

The Grand Trunk has expended Ontario.

The Grand Trunk has expended thousands of dollars in bringing before the people of the United States and foreign countries the beauties of the Canadian districts, its efforts being rewarded by exceptional success, as the records of the passenger traffic during the past season show. In the districts embraced in what is known as the "Highlands of Ontario," nearly 30,000 tourists were carried during the summer months, the majority of whom were from the United States. These districts have, become so popular that each year finds ted States. These districts have become so popular that each year finds the hotel accommodation increasing, and modern and un-to-date structures are being erected to accommodate the ever increasing travel that is being brought into Canada.

Seat Sale begins Friday at Central Drug Sto. A True Brain Food

Must replace the feeling of lassitude and mental tiredness by clearness and strength of mind. Not that it goes directly to the brain, that were foolish. The true brain food must be carried by rich, red blood. If mental fatigue worries and alarms you, look not to the brain, but the stomach and assimilative organs. No remedy yet discovered possesses the marvellous brain strengthening power that Ferrozone has demonstrated in thousands of cases. Ferrozone does not atimulate the brain into a fitful glow, but by improving discortion strengthening by improving digestion, strengthening the nervous system, stimulating assimilation, giving new strength to the heart, it sends a stream of red vitalizing blood to the brain. Thus it is a true brain food. Ferrozone is sold by McCall & Co.
