A WOMAN'S BACK IS THE MAINSPRING OF HER PHYSICAL SYSTEM.

The slightest back-ache, if neglected, is liable to cause years of terrible suffering.

No woman can be strong and healthy unless the kidneys are well, and regular in their action. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to have filtered out of the blood are left in the system.

The female constitution is naturally more subject to kidney disease than a man's; and what is more, a woman's work is never done—her whole life is one continuous strain.

How many women have you heard say: "My low back aches!" Do you know that backache is one of the first signs of kidney trouble? It is, and should be attended to immediately. Other symptoms are frequent thirst, scanty, thick, cloudy or highly colored urine, burning sensation when urinating, frequent urination, puffing under the eyes, swelling of the feet and ankles, floating specks before the eyes, etc.

These symptoms if not taken in time and cured at once, will cause years of terrible kidney suffering. All these symptoms, and in fact, these diseases may be cured by the use of

DOAN'S KIDNEY PILLS

They act directly on the kidneys, and make them strong and healthy.

Mrs. Mary Galley, Auburn, N.S., writes: "For over four months I was troubled with a lame back and was unable to turn in bed without help. I was induced by a friend to try Doan's Kidney Pills. After using two-thirds of a box my back was well as ever."

Price 50 cents per box or three boxes for \$1.25 at all dealers, or sent direct on receipt of price. The Doan Kidney Pill Co., Toronto, Ont.

BATHURST BASIN

As it is a lengthy period since I've seen items from our charming vicinity, I will endeavor to insert a few of interest.

The snow birds have come and brought with them a message. Listen! What is it they tell us. Winter is near at hand, already, this mother-earth sees the sample of her winter robe. Some do not appreciate the snow birds visit, they do not care to see winter coming but these people surely did not figure, another word he whispered in my ear, the season of Christmas, the jelliest time of all the year.

Halloween has passed but no doubt has left an impression on the young peoples mind, not soon to be forgotten as they enjoyed themselves immensely.

Mr J Chamberlain has established a comfortable home.

P McCurdie of Belledune paid a flying visit to the Basin on Thursday last.

The Miss Melanson's entertained friends from Nigado on Sunday last.

Mr Joe Martin has a fine house under construction, which will be quite an addition to our little place.

Miss Nellie Arsenau from the Village was visiting friends in the Basin.

Miss Nellie Burke is visiting friends in Beresford.

Miss Minnie Hackey entertained friends from Campbellton on Thursday last.

Billous Attack Quickly Cured

A few weeks ago I had a bilious attack that was so severe I was unable to go to the office for two days. Failing to get relief from my family physician's treatment, I took three of Chamberlain's Stomach and Liver Tablets and the next day I felt like a new man.—H. C. Bailey, Editor of the News, Chatham, S. C. These tablets are for sale by All druggists.

BLACK CAPE NOTES

What has become of our Black Cape correspondent, we have not heard from him for some time. We think he must have withdrawn his place in the Events.

Rev E. R. Roy preached at Mrs. N. Johnson's on Sunday morning.

Rev G. P. Tattire occupied the pulpit in the Presbyterian church, New Richmond on Sunday morning.

Mr William Campbell was in Campbellton on Monday last attending the meeting of presbytery.

Mr Alfred McWhirter, general mercantile of this place has put up a large house. He has closed down work for the winter season, and will begin work early in the spring.

Messrs W. A. McRae & Co. expects to begin lumbering operation in Musselville about the first of December.

The New Richmond Lumber Co. are building a railway from their mill to connect with the A. & L. S. R. C. R. Scoles, manager has the contract.

McGILL'S BUTTERNUT PILLS FOR YOUR LIVER AND BOWELS.

Every Hour Delayed

IN CURING A COLD IS DANGEROUS.

of supplying steel rails and laying the track.

Several of the farmers of this place have sold a large quantity of oats to the New Richmond Lumber Co. this fall.

NOUVELLE

Your correspondent has remarked in the past few years that the general public of this large municipality was much interested in reading the news columns of our local paper "EVENTS". Its readers were no doubt well pleased to read all the happenings of this well known place of Nouvelle for "EVENTS" was well patronized with its many intelligent correspondents. What has become of them? I will not believe that the change of its Editor and proprietor was the cause of their silence for correspondences of general interest do not fail an insertion in our local paper, so I hope Mr. Editor will permit the insertion of these few lines.

The efforts of our well known lumberman Mr. McKen are well appreciated in giving employment to a couple of hundred men in Nouvelle with some four or five lumber camps and his intention is to keep a mill running in Nouvelle during next summer season it would be a joy to many inhabitants of this place.

Farmers are at present very busy threshing their grain and all seem well satisfied with their crop as many are reaching the high number of 1000 to 1200 bushels of grain each.

We are much pleased to have a new merchant in Nouvelle in the person of Mr J. A. Allard, son of Mr Ernest Allard with a general stock of Merchandise.

Mr Allard is very popular in this place and many are the wishes of friends for his success in his new enterprise.

We have noticed the shipment of many car-loads of hay from this place during the past week in destination for New Carlisle.

Now, I will retire but will probably send in a few interesting items in next issue.

Chapped Hands

Wash your hands with warm water, dry with a towel and apply Chamberlain's Salve just before going to bed, and a speedy cure is certain. This salve is also unequalled for chafes and burns. For sale by all druggists.
