LACHINE

CANAL ENLARGEMENT.

Notice to Contractors.

SEALED TENDERS addressed to the undersigned, endorsed "Tender for Lachine Canal," will be received at this Office for the enlargement of this Canal, consisting of the widening and deepening from a short distance above Lock No. 3 or St. Gabriel Lock, upwards to the River St Lawrence at Lachine; embracing the construction of a new lock at Cote St. Paul, taking down and rebuilding the upper portions of the present lock at Cote St. Paul, taking down and rebuilding the upper portions of the present lock at that place, construction of regulating weirs, culverts, bridge piers, and a new entrance lock at Lachine, and the formation of a channel and basin on the south of river side of the existing entrance.

The works will be let in sections of the respective lengths indicated on a map of the line, which, together with plans and specifications of the various works, can be seen at this Office, and at the Lachine Canal Office, Montreal; at either of which places printed Forms of Tender can be obtained.

Tenders for Section No. 9, or what is called the 'Rock Cut,' and Section No. 10 at Lachine, will be received until the arrival of the eastern and western mails on Wednesday the 12th day of January next, plans and specifications for which can be seen at the places above mentioned on and after Wednesday the 5th day of January next.

For other parts of the works, tenders will be received until Tuesday, the 21st day of March next, and for which plans and specifications can be seen at the respective places above mentioned, on and after Tuesday, the 7th day of March.

Contractors are requested to bear in mind that Tenders will not be considered unless made strictly in accordance with the printed forms, and —in the case of firms—except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque, or available security, for the sum of from *one to three thousand dollars*, according to the extent of work on the section, must accompany each Tender, which shall be forfeited if the party tendering declines or fails to enter into contract for the works when called upon to do so, at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of Tender.

The cheque or money thus sent in, will be returned to the respective parties whose Tenders are not accepted.

For the due fulfilment of the contract, satisfactory security will be required on real estate or by deposit of money, public or municipal securities, or bank stock to the amount of five per cent on the bulk sum of the contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent only of the progress estimates will be paid until the completion of the works.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

The Training School will be open for the reception of students on Monday, January 3rd, 1876.

Terms (Payable in Advance),

For the COMMERCIAL COURSE, time unlimited, $30.

TEACHERS' Course—For subjects required for 3rd class certificates, and for entrance into the Normal and High Schools, $10 per term of 10 weeks.

For subjects required for 2nd and 1st class teachers, $15 per term.

CLASSICAL COURSE.—For subjects required for matriculating in Arts, Law and Medicine, $15 per term. Music, Drawing, Painting, French and German; extra students are admitted to each course at any time.

The College building is situated on Wellington street, south of the railway. Its rooms have been recently enlarged, and it is now capable of accommodating 300 students.

Those intending to enter the Training School will find it to their advantage to do so on Jan. 3rd or 4th, at the beginning of the winter term.

The Faculty of the united institution being composed of teachers of extensive experience and acknowledged success in the profession, the proprietors are confident that they are now prepared to offer a course of instruction in the several departments, unsurpassed by any similar institution in Canada.

The PENMANSHIP DEPARTMENT will still be under the direct supervision of Prof. Stilwell, universally acknowledged to be one of the most successful teachers of the art of writing ever connected with this or any other institution in this country; and will be free to the students of all the different departments.

The first prize in Penmanship was awarded this institution at the Western Fair in this city in 1875.

Good board can be obtained in private families convenient to the College for $2.50 to $3.00 per week. Lady students furnished with suitable boarding places by applying to the proprietors. Books and Stationery can be purchased at the College at reasonable rates.

DIRECTORY
FOR THE
COUNTY OF HURON,
For 1876.

J. C. CURRIE, Goderich, Publisher.

I have undertaken the work of preparing and publishing a complete and authentic, as possible, directory of the County of Huron, with a complete index to its inhabitants, its business and the extent thereof, its progress, its wealth, and its general features of interest. Such a work has been greatly needed in this County for some time past, there having been no directory issued within the past seven years, and a revised work to be in keeping with the advanced condition of the County will be of great value. The work will be issued as quickly as possible, and my Agents are already at work, procuring necessary information; and no pains will be spared to make it as accurate and complete as can be desired.

As an ADVERTISING Medium it will be possessed of many and excellent advantages, of which no doubt business men will readily avail themselves. The space will be limited, and those wishing to take space should consult the following rates, and send in orders as soon as possible.
