### If a Testator

although seeing the benefits to be derived from a Trust Company's administration, hesitates about canceling any appointment, he may have already made, the Montreal Trust Company can be named to act with the Executor or Executors already appointed. In this way the Trust Company co-operates with the Testator's appointees in the administration of the Estate.

This plan is very acceptable when the Testator's wife is named as Executor. Few women have the necessary business training to enable them to carry on the administration of an Estate, but with the co-operation of the Montreal Trust Company the Testator's wife can be appointed with full assurance that the Estate will be well looked after.

### Codfish and Beaver.

A Gazette Extraordinary published on Thursday, contains the following addition to the Act to Regulate the Exportation of Codfish:—

"Section 2—No License Holder shall ship any codfish known as Labrador to the United States of America unless the same shall have been sold outright before shipment, at the prices set forth in the schedule of prices in respect of New York."

Section 8 (Close Season) of the Beaver Act, 1920, is cancelled and the following substituted therefor:

"No person shall hunt, kill, trap, pursue or take Beavers in any area in which killing, trapping, hunting, pursuing or taking is lawful at any time between the 16th day of March in any year and the last day of February in the succeeding year, both days inclusive."

### Klark-Urban Company.

H. E. the Governor and Party Witness Play.

"On Friday night the Klark-Urban Company were honored with the patronage of His Excellency the Governor General Sir James Wilcocks, G.C.M.G., K.C.B., K.C.S.I., D.S.O., and Lady Wilcocks and party from Government House, and also Major J. L. Wilcocks, D.S.O." (Bermuda Colonist and Daily News), Jan. 12, 1920.

After their local engagement at the Casino Theatre, the Klark-Urban Co. sail for the West Indies for an extensive tour of several months' duration. This Company have established a high reputation in the southern territory by their past performances and are always assured of a hearty welcome.

Judging from the advance sale of seats for "A Tailor Made Man," which opened at Fred V. Chesman's on Friday morning, the seating capacity of the Casino will be inadequate to accommodate all those who wish to see this excellent production next Monday and Tuesday.

### Wedding Bells.

Last night there took place a very quiet and pretty wedding at St. Patrick's Church, Riverhead, when Miss Beatrice Morgan, of Knowling's central store, and Mr. Wm. Ebb, of the s.s. Rosalind were united in bonds of matrimony by the Rev. Fr. Renouf. They will leave by s.s. Rosalind for New York where they will make their future home. The Telegram joins in best wishes that Mr. and Mrs. Ebb may have many years of happiness.
