Drive Out the Flies

WITH **SANIFLOR!**

It is unnecessary to have flies in the home. A Saniflor will drive every fly from an ordinary room and keep them out. Insects hate the delightful odor of Saniflor and give it a wide berth. Moths, water bugs and other insect pests move out when Saniflor moves in. Protects woollens from moths. Destroys all odors of cooking, etc., replacing them with the delightful and delicate fragrance of fresh flowers.

Operates night and day. Lasts two to three months. Costs \$1.00 at drug, hardware and general stores.

Manufactured by **RENAUD & CO., PARIS.**
