Because the Prices are invariably the lowest.
Because the Clerks are cortsons and obliging.
Because the Stock is the largest to select from.
Because the Weights and Measures are always correct.
Because, in fact, the proprietor understands his business, desires to please his customers, makes good use of his capital, and buys for cash in the best markets, and always deals liberally with those who honor his stores with their custom.
These and many other weighty reasons have contributed very largely to make the name of John A. Wood, as connected with the Grocery trade of Guelph, so well known, and his stores so very popular.
