

A new Post Office called "Gillies Hill" has been opened at Urquhart's Corners, in Elderslie County Bruce.

There is some talk of starting two papers in Milton, one Reform and the other Conservative.

The revival of a child at Yonkers, N. Y., who was supposed to be dead, and had been kept on ice for three days as a preliminary to its interment, should serve as a warning against the danger of a possible premature burial. In this case there was a total absence of the rigor mortis, or rigidity, which is the inseparable concomitant of death.

Capt. Foster, of Port Burwell, Ont., says:—I have been troubled with a cough, at times very severe, for years past. I have found Allen's Lung Balm to relieve my cough more readily than any other cough medicine I have ever tried. My wife also used it with the most satisfactory results.

**DO NOT TROUBLE YOURSELF TO** ASK whether Dr. Wheeler's Compound Elixir of Phosphorus and Gallic Acid may be safely taken in your particular case; being composed of elements necessary to the formation of the bone, muscle, and nerve, and acting purely as a nutritive tonic, it is positively certain to benefit all ages and conditions of life, as it perfects the digestion and assimilation of food and the purifying of the blood. Phosphorus is the essential agent of the gastric juice and the motive power of the nervous system, and Nature's universal remedy in the animal and vegetable kingdoms to sustain and maintain the vital force.

**ALLEN'S LUNG BALSAM**

Is the great modern remedy for Croup, Colds, Croup, Asthma, Whooping Cough, and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Dr. A. L. Scovill, of Cincinnati, Ohio, says:—

"I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs of the lungs, and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state."

**Specific Medicine**

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Southern Weakness, Spasmodic, Impotency, and all diseases that follow as a consequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at 5¢ per package, or six packages for \$3, or will be sent by mail on receipt of the money, by addressing

G. B. FRASER.

In consequence of the late great fire in Montreal, Messrs. McIntyre, French & Co. have sold the balance of their stock saved from the fire, \$200,000 at auction, of which G. B. FRASER bought largely, at such low prices as will enable him to sell at a profit. FRASER'S store is cleaned from cellar to attic with cheap goods. The result of customers to FRASER'S for the cheap stocked goods is enormous, which causes other merchants to grind their teeth. Still FRASER is determined to look after the wants of his customers, no matter what others may think.

Being the only merchant in Guelph who attended the Great Auction Sale in Montreal, can state with confidence that he can show goods at prices much below their regular value.

Parties buying at FRASER'S will save more money than they would elsewhere.

FRASER keeps a general store where all can get suited without leaving the trouble of going all over town.
