AMERICAN MARKETS.

CHICAGO. H. C. Becher, broker, Bank of Commerce building, received the following by private wire from Bartlett, Frazier & Carrington yesterday: Chicago, July 10. — Wheat — Prices

\$4 20; No. 13, \$4 15; No. 14, \$4 10; mold would have recorded a big advance but A. \$5 15; cut-loaf, \$5 50; crushed, \$5 50; for realizing by traders, who prefer to Mississippi show increasing disappointment, and the condition of spring wheat has lost fully 10 points the last month. The Commercial West estimates the crop at 715,000,000. The movement of new wheat is light and late and fresh northwestern and eastern millers. Contract stocks are rapidly decreasing, with near future, all of which places the September option in an exceptionally strong position, and it should be pur

chased on every setback. Cars. 15. Corn was quiet but firm, and trade was on a scalping order. Snow esti-mates the condition at 81.7, and the acreage 91,000,000. This is one of the lowest conditions ever reported for July, and in the last 33 years only times has the condition at this extremely hot and very dry weather deterioration will result. We advise you to get long the May at the first opportunity. Estimated for tomorrow,

285 cars. Oots have been without feature today, with a fairly firm undertone, borrowed mostly from strength in other

oats offered and they sold at 99c and \$1 per cwt.

Hay and Straw—A couple of loads of old hay sold at \$10 and \$10 50 per ton.

We higher. Mill feed—Steady; cars of shorts, \$17, and bran at \$14, in bulk, east pards report, gave way to some firm-steady and straw—A couple of loads of old hay sold at \$10 and \$10 50 per ton.

We higher. Mill feed—Steady; cars of sion. Early weakness, due to lower yards report, gave way to some firm-steady and straw—A couple of loads of or middle freights. Barley—Quiet at 45c ness on buying of lard and rigs by smaller packing interests. Later the old hay sold at \$10 and \$10 50 per ton. old hay sold at \$10 and \$10 50 per ton. dle freights. Corn—Steady; Canada, 51c market sold off on slack demand, and three loads of new were also offered at three loads of new were also of new were also of new were also of new were also of new wer

Corn—The sellers of yesterday were the buyers on the early slump. The

crop, according to official figures, is 500,000,000 bushels short of last year, and the crop not yet made. It is worth noting that there has been a marked deficiency.

and since July 1 the very poor harvest returns have become apparent and the spring wheat has its troubles yet to face. It is probable, therefore, that we shall not raise a crop larger than a year ago. Our advice is to get long on the breaks. Cars for Monday, 60.

Corn—The sellers of vesterday were

Toledo, Ohio, July 10. - Wheat closed: the buyers on the early slump. The losses were regained and prices ruled firm with a rather light trade. The recording to official figures, is

worth noting that there has been a marked deficiency from normal rainfall, in the section throughout the corn belt, but this year of all years the crop needs its full quota. Buy May on all setbacks. Estimated cars, 410.

Oats—Trade was very small, the outside taking little or no interest in the market, except just at the opening, when commission houses sold moderate, with the leading long interest about the best support. Advice purchases of oats on every break. Estimated for Monday, 190 cars.

Provisions—Small packing interests gave some support to provisions at the provisions at the support of the provisions of the provisions at the support of the provisions of the provisions at the support of the provisions of the provisions at the support of the provisions of the provis

### DROWNED IN OTTAWA RIVER; SUICIDE OF PRIVATE WINTER

Sad Case of a Member of No. 1 Company, R. C. R., While at the Rockliffe Ranges.

The non-commissioned officers and nen of No. 1 Company, R. C. R., who came in daily contact with him, are Ottawa on Friday morning of Private sary. Harold Winter, a member of the permanent force at the barracks. Private Winter only left for the capital on Sunday last to serve at the school of musketry at the Rockliffe ranges, and nothing further concerning him was heard by his comrades

his own life by jumping in the river near the ranges at an early hour on Friday morning. Winter was about 26 years of age, and up to the time he had enjoyed the very best of health and was always in

upon his mind whatever, and the supposition here is that during the warn weather at the ranges he suffered a sun stroke which affected his mind and caused him to take his life. Winter was fully clad at the time,

afternoon. It was then in about 30 feet of water. An Ottawa coroner deunable to account for the suicide at cided that an inquest was unneces-The remains are being held pending the action of friends. The deceased has a sister in Toronto and a brother is now on the way to Marie, who is on his way to Toronte Canada from England. He is expected to to arrive daily. or tear in our process.

400 Richmond Street, near Corner of Dundas, London, Ont.

R. PARKER @ CO.,

Dyers and Cleaners,

ceed. It damaged the fence, however, and was caught. THE TWELFTH AT BRANTFORD. The Orangemen of this city will go to Brantford this year for their annual excursion. Next year they will hold a big celebration here, but it here this 12th of July, owing to Brant ford's big preparation. Orangemen's cher; Clark, pitcher; O'Rourke, first Day will, of course, be celebrated on base; Smith, second base; Pirie, third Monday, the 12th occurring on Sunday. trains, and it is expected a large

number will take advantage of the cheap rates. The Seventh Regiment will meet at CAR RAN AWAY. A slight accident occurred this morning. It is important that every mem- ing at the coal shutes of the Grand The Presbyterian and Methodist ber should be present on this occasion, Trunk, in East London. A car had loaded, and when it was subsequently shifted it was left too close to the incline. Once it began to roll, it increased its speed very rapidly, and before it stopped it had pitched into a couple of cars at the bettom of the

Injunction granted on the usual undertaking until Tuesday, July

SPECIAL FOR EPWORTH LEAGUE. The local heads of the Epworth League have received a circular from Rev. A. C. Crews, the secretary, stating that a special train will leave the union station, Toronto, on Wednesday next for Detroit, which will be reached by 7 o'clock. This will enable the deleget in the city the day before the convention opens, a very important matter. The Londoners who will go are year he lived on £28, and gave away T. R. station was the scene of great invited to join the party at the C. P. £2, and when he received £120 he lived activity, such a large number going R. depot on Wednesday afternoon at on £28 and gave away £32. Concluddown to Port either for the balance of 3:50 o'clock. The local league hope 3:50 o'clock. The local league hope that a good many will take the opportunity of attending the convention, which is nearer their own doors than it may be for some years again. The special train will be decorated with

The late Mrs. James Brazier passed away on July 10, after a lingering illness, borne with great patience. She the guests of Rev. W. F. Brownlee, Catholic powers were relying upon the inspector does not expect to realize a had resided in this city for a number line of years. Mr. Brazier was the third passive aid of Scotland to react and dollar for every name on the list, but of years. Mr. Brazier was the third daughter of the late William Clare, of Bedfordshire, England, and was high ly esteemed by her many friends and Mr. and Mrs. Walter Gurd, of Lon- Papal purposes. He was the creator a horse driven by a young lady ran ber of the Church of England. She
