Local receipts of wheat were 26 cars, 1 of contract grade; Minneapolis and Duluth reported 230 cars, making a total for the three points of 253 cars, against 237 last week and 357 a year ago. ### KINGSTON GIRL SHOT AT SCHOOL

Fifteen-Year-Old Boy Killed Beatrice Holland.

She Had Teased Him and He Said He Would Shoot Her-Gave Himself Up.

Kingston, April 28.-Just as the children were being dismissed this afternoon at Frontenac school, a shot rang through the building, and a bright, happy girl, aged 14, named Beatrice Holland, fell over and was soon dead. The bullet pierced her temple. Eric Sharp, aged 15, a schoolmate, fired the fatal shot. The girl was cared for, and physicians summoned, but she was beyond relief when they arrived.

Meantime the boy fled. At 7 o'clock he gave himself up to the police. He says he knows not how the deed occurred. He had said he would shoot the girl, she having tip-ped his hat in the cloak-room. When he pulled the revolver it went off. Scholars say that Eric told the girl if she did not stop he would shoot her, and he drew his revolver and aimed it at her. The revolver was an American bull, self-acting. He threw the

weapon away. An inquest will be summoned tovictim was the daughter of George Holland, an engineer on the Kingston and Pembroke Railway. The lad is a son of Henry Sharp, a Princess street grocer. He was a lively lad, fond of cigarettes and novels.
