## HAY ABOUT THE ONLY OFFERING ON MARKET

## Rain Takes Frost Out of the Ground and Leaves the Roads Bad.

On account of the heavy rain of last night the country roads are in a terrible condition, and as a result the local market today was very small. The rains caused the frost to leave the ground, and the roads in many places resemble a quagmire.

The only offerings today were a few loads of hay owned by farmers residing close to the city. The prices were the same as prevailed on Thursday.
