Missanabie" will sail from Montreal for itching pile for this sort, obnoxious from artistic and moral standpoints, when it is so easy to obtain a truly natural complexion by the use of ordinary mercolized wax, which may be had at any drug store in original one-ounce package. This mercolized wax is so effective, harmless and inexpensive, no one need think of using anything else for the purpose. Applied like cold cream at night, and washed off in the morning, it at once begins to show its remarkable rejuvenating effects. It gently absorbs the lifeless surface skin in tiny particles, gradually showing the fresher, livelier, beautiful underskin. Naturally it takes with it all surface defects, like freckles, pimples, moth patches and liver spots.
