SHERIDAN'S CONDITION.

Lord Stanley Sworn in as Govern

(From Our Own Correspondent.)
OTTAWA, June 11.—Lord Stanley of Preston delivered his first public address in Canada to-day, and the impression he made was most favorable. He is an exexcellent speaker, his tones clear and resonant and his thoughts clothed in graceful language. The ceremony this morning was conducted with all the pompusually pertaining to such an occasion. Tremendous crowds were in Parliament hall and the Senate chamber. The new Governor was enthusiastically greeted. Chief Justice Ritchie administered the oath of allegiance and office and the Governor General afterwards presented him with a The second of the property of the control of the co

LONDON, June 10.-Colonel E. R. London, June 10.—Colonel E. R. King-Harman, member of parliament for Kent, Isle of Thanet, and parliamentary secretary for Ireland, died to-day, aged forty-seven years. The death of Colonel E. R. King-Harman, notwithstanding his recent illness, was very unexpected. He had been suffering from diabetes for several months, and a short time ago took a trip to the Cape of Good Hope in the belief that he would derive benefit from the voyage. He was much better the list and raise a rumpus over fancied while at sea, but sustained a errors?" relapse within a few days after his return to London and became prostrated. Physicians ordered his immediate removal to his estate at Rockingham, County Roscommon, Ireland. The immediate cause of his death was structure of the sesophagus, from which ailment he had lately suffered greatly. Col. King-Harman was formerly a noted athlete and his exploits in Roscommon, his are spoken of as exhibiting country are spoken of as exhibiting the structure of the second structur rediate cause of his death was stricture

native county, are spoken of as exhibi-tions of strength and agility.

He will probably be succeeded as parlia-mentary secretary for Ireland by Colonel Sir Joseph West Ridgeway, the present under secretary. Whether the death of under secretary. Whether the death of Cel. King-Harman will put an end to

It is stated to-night that the govern-ment will not accept the proposed modifi-cations to the license clause of the local government bill, and are disposed to post-pone the liquor question until next session.

VERNON NOTES.

The Emperor Weaker.

When the Emperor partially overcame his difficulty in swallowing he had such a distaste for food that he positively refused to take it. The result has been a very great decline in his strength. Dr. Macgreat decline in his strength. Dr. Mackenzie fed the patient through a tube inserted in his throat. The Emperor does not seem aware of the extreme danger which all about him now realize. It is said if his condition does not considerably im prove a regency will be appoin

At 9:30 o'clock p. m. the Emperor is alightly better, but the intense anxiety of his attendants and the people generally is slightly diminished. The cartilage of the epiglottis has become permeable, allowing particles of food to enter the air tubes. This had produced violent fits of abandonment of feeding through the throat. The doctors are unable to exactly state the causes of some of the changes that have taken place in the Emperors condition, but it is plain that he is weak-ening very rapidly.
