MARKET NEWS IN BRIEF.

THE BOARD OF TRADE SHUT OFF FROM CHICAGO QUOTATIONS.

No Montreal or Toronto Stock Exchange Sessions on Saturday—Local Grain, Produce and Money Markets—The Crop Outlook—J. Segsworth & Co. in Trouble.

According to notification sent to the Toronto Board of Trade from the Chicago Board of Trade some time ago the quotations were shut off on Saturday, June 1. The Chicago Board of Trade has passed a bylaw enacting that the board's quotations shall be supplied to members only. This action has been taken to prevent bucket shops from doing business. The trouble between bucket shops and the board is an old one, and this move has been taken as a last resort to squelch the bucket shops. The question of whether or not the board has the exclusive right to its own quotations is now before the courts.

There were no sessions of the Toronto and Montreal Stock Exchanges Saturday.

TORONTO, June 1.

THE MONEY MARKET.

The local money market continues easy and without special feature. Call loans are quoted at 4 and 4½ per cent.; commercial paper at 5½ and 6 per cent.; and loans on real estate at 6 and 6½ per cent.

BERRDOM'S REPORT.

LONDON, June 1.—Cargoes off coast—Wheat nil; corn, quiet. Cargoes on passage—Wheat, turn dearer; corn steady. French country markets firm. Stocks in Liverpool—Wheat, 400,000 to 480,000 quarters; corn, 60,000 to 70,000 quarters; flour, 160,000 to 170,000 barrels. Liverpool—Spot, wheat, quiet and steady; corn, improving. Weather in England brilliant. Cargoes waiting off coast—1. Sold—1.

LIVERPOOL MARKETS.

LIVERPOOL, June 1.—Futures of wheat, firm; June, 6s 10d; July, 6s 9½d; August, 6s 9¼d; September, 6s 9¼d; October, 6s 9¼d; November, 6s 9½d. Corn, firmer; July, 3s 8½d; August, 3s 8¾d. Russian wheat crop officially reported bad.

THE CROP OUTLOOK.

Guillet & Hall of Detroit write: "The crop outlook is hopeful, yet no suckling babe is liable to more mishaps than a growing wheat crop. Chicken-pox, croup and measles in the child are synonymous with chinch bug, mildew and rust in the cereal. It is this uncertainty that compels the restless American speculator to venture his surplus lucre on the hazards of the future, the whims of the weather. And though not a bushel of wheat has yet been garnered, the future crop is being sold and resold in the great grain markets. The past season has been a dry one, as indicated by the low water of the lakes. The rains now prayed for may come in torrents just at the time to be avoided, and thus crush our bright anticipations. While then we may expect that bountiful crops will revive business, we should not forget that unremunerative prices or a crop failure will produce an opposite effect, and perhaps cause some heavy financial concerns to walk the plank of liquidation that the real estate, railway and grain speculators have been treading during the last few months. Easy money markets may stimulate into activity railway stocks and other speculative securities. Only healthy and profitable trade can produce a permanent advance in prices."

Business Embarrassments.

There were 15 failures in Canada during last week, as against 19 the week before last.

Messrs. J. Segsworth & Co., wholesale jewelers, 6 Wellington-street east, are in financial difficulties. Mr. R. Snelling, the firm's solicitor, is in New York making arrangements with creditors there, and it is expected that a settlement will be arrived at in a few days.
