entertainment.

The station house is built of dressed granite bonlders of different colors, after a circular plan, and is perhaps unique among station buildings. Harris & Ballard
are on the south side of Main-street, and have

a [commodious store with plate-glass front, and deal in staple and fancy drygoods, boots and shoes, gent's furnishings, carpets, wall paper, groceries, crockery and glassware, paper, groceries, crockery and giassware,
The stock is large and prices as low as possible.
A live business is done. Tailoring and dressmaking are carried on upstairs. Mr. Ballard
is a practical cutter of best experience, and
has an excellent reputation for good fits and
stylish clothing. Satisfaction is guaranteed
in both tailoring and dressmaking departments.

corner Main and Division-streets, are dealers in hardware, stoves, paints and oils and tinware. They manufacture all kinds of tinware and attend promptly to furnace work, plumbing, roofing and eavestroughing. Competent men only are kept and all work is well done. They do the principal furnace business and have put in a great many for different parties during the season. Toffelmire & Lane

are lumbermen, proprietors of a saw mill and manufacture hard and soft wood lumber of all kinds. Bell and dimension timber are cut to order. They are young and enterprising men and push a large business. J. H. Sweet

manufac res wagons, carriages, buggies, and a general blacksmith business. The shop is new and supplied with modern pliances of the best kind. Mr. Sweet is a practical workman of good experience, and has a high reputation as a skilled mechanic. Andrew Wigle, L.B.S. has been practising since 1867 and has a high standing in the profession. His dental rooms are supplied with all modern appliances, showing that in every improvement or discovery relating to dentistry, Dr. Wigle is abreast of the times.

is on the south side of Main-street and deals in books and stationery, crockery, glassware, in noots and stationery, crockery, glassware, crocer ies, fancy goods, toys and notions renerally, gents furnishings, etc. The office of the G. N. W. Telegraph Co. is in his store. The tusiness was established in 1862, but this does not mean that Mr. Kennedy is one of the fossil sort, as he was one of the first to put in a medern plate-glass front.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocca, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendeany to disease. Hundreds of subthe maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping curreives well fortified with pure blood and a preperty nourished frame."—Civil Service Gascette. And 514 Queen-street west. Telephone 932. Always open.
