EPPS'S COCOA
BREAKFAST.
By a thorough knowledge of the natural laws which govern the operation of digestion and the properties of well-selected Cocoa, Mr. Epps has prepared our breakfast tables with a delicately flavored beverage which may save us many a painful illness. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle poisons are floating around us ready to attack wherever there is a weak point. We may catch many a fatal shiver by keeping ourselves well fortified with pure blood and a properly nourished frame.
