COMMUNICATION.

[To the Editor of the "Standard."]
SIR.—As I have observed that one or two of the St. John papers, in giving an account of the vote at our late Railroad Meeting, have expressed surprise and their want of confidence in the votes given by the Class A. shareholders on that occasion, it may be as well to explain the matter for their information and that of others who may be equally ignorant.

The class A. shares are as much stock in the Company as class B. and by a Deed of Arrangement, entered into between the two classes, which has been sanctioned and confirmed by an Act of Assembly, it is expressly provided that class A. shareholders may vote at all meetings of the Railroad Company, and shall have one vote for every two class A. shares, but shall not be entitled to vote for the election of Directors; and as the Act of Incorporation under which the Special Meeting was held, expressly requires that in order to make a vote of the meeting binding on the Company, the majority which passes it must consist of votes given by the holders of one third of the whole stock of the Company, it was absolutely necessary that class A. should vote on the question presented to the meeting, in order to render the Act of the majority valid.

The votes given by the majority of the Class B. shareholders represented more than a third of the whole Class B. stock, and therefore Class A. would not have voted in favor of a measure to which they had already given their assent, had it not been necessary under the law that they should do so, in order to make the vote valid.

A CLASS B. STOCKHOLDER.

Jas. G. STEVENS Esq.—This gentleman's letter was received after our paper was put to press, but will be inserted in our next.

Holloway's Pills, a certain Remedy for Indigestion and Liver Complaint.—Maria Armstrong, of Three Rivers, Canada, suffered more than most people from indigestion, accompanied by liver complaint, several very clever medical men told her she was in a consumption, and her friends despaired of her ever recovering, as she had tried every thing they thought likely to benefit her, with success. At last she tried Holloway's Pills, which quickly assimilated with the blood, removed the obnoxious matter, and thoroughly cleansed and renovated the system. The result is, that she was perfectly cured, and now enjoys the best of health. These Pills are also a certain cure for all diseases of the stomach and bowels.

AYER'S

CHERRY PECTORAL.

For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

We invite the attention of the public to the Certificates appended below, and bespeak for them that prompt consideration which their high frankness deserves.

Jackson C. H., Jackson City, O., 29th Nov. '52.
Dr. J. C. Ayer, Sir:—The Cherry Pectoral is much improved. Several of our best Physicians have used it, three of them in their own cases, and all with the happiest effects. The numerous patent medicines always before them, lead to credulity in regard to every new remedy; and it is only after undoubted evidence of value is given, that any thing like a general confidence can be excited.

The unparalleled excellence of this combination of agents (in the Cherry Pectoral) proved beyond cavil by repeated trial and their own observation, this compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself,

Jas. H. C. MILLER, M. D.

Allegan, Mich. 19th Jan. 1853.
Dear Sir:—No one, no, not one—man, woman or child—can be found to deny that the Cherry Pectoral is all that it claims to be. There is much used in this vicinity, although not known until recently. The community should know its virtues.

JOHN R. KELLUM, M. D.
