Ayer's Cherry Pectoral

The reputation it has attained, in consequence of the marvellous curses it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost avery section of country there are persons, publicly known, who have been restored from altriming and even desperate diseases of the lungs, by its use.

the more formulable diseases of the lungs.

As a safeguard to children, smidthe distressing diseases which beset the Throat and Greet of Childhood was avaluable, for, by its timely use, multitudes are rescued and restored to health.

This medicine gains triands at every trial, as the cures it is constantly producing are too remarkable to be forgotten. We family should be markable to be forgotton. No family should be without it, and those who have oncoused it never will.

Eminent Physicians throughout the country prescribe it, and Clergyman often recommend at from their theories, of its effects. The ways are the country prescribe it, and Clergyman often recommend at from their theories, of its effects.
