

"IN HIS KEEPING."

Fifteenth Day.

"I am the Lord, I change not."

*I am the Lord—the everlasting God,
Whose nature doth immutable endure.
My deep compassions fail not. Tenderness
Is an exhaustless fountain in My heart.
My care is constant: never have My people
Been left unfriended in their hours of need.*

.

*I am the Lord,
I change not. These, My words, are true and faithful—
Not death itself shall part Mine own from Me,
Who, loving once, love on eternally.*

—Unchangeable.
