

GUERNSEYS!

THE GRANDEST OF DAIRY BREEDS.

Combining the richness of the Jersey with size approximate to the Holstein or Shorthorn, but standing alone and unequalled in producing the richest colored butter in mid winter on dry feed. Gentle as pets, persistent milkers, and hardy in constitution, they combine more qualifications for the dairy or family cow than any other breed.

IN THE OLD BRICK GUERNSEY HERD

are daughters and grand-daughters of the renowned Island prize-winners. Excelsior 1st, Cato, Fair Lad and the famed Squire of Les Vauxbelets, of St. Andrew, Jeweler and Lord Fernwood and nearly all the descendants of the famous Swain sisters, "Katie" and "Cottie," a strain not exceeded, if equalled, by any other. Jeweler 13th, son of Jeweler, out of I. J. Clapp's tested cow Hazelnut 1788, leads the herd with Lord Fernwood son, whose dam won special premium at the N. Y. Dairy Show. Squire Kent, grand son of the noted Lady Emily Foley and Squire of Les Vauxbelets and Kottamor, also winner of first premium at N. Y. Dairy Show, are coming into service. All particulars in regard to the breed and herd, individually, cheerfully given.

HAMILTON

Thorley Cattle Food

TESTIMONIALS

HAMILTON Oct. 24th, 1898
TO THE THORLEY CATTLE FOOD CO., Hamilton
Gentlemen: We have been using your prepared cattle food amongst our horses for some time, and we have much pleasure in recommending it to horsemen as being a good article of food, and especially when horses are affected with influenza. With the latter we had a great many horses affected this fall, and by using your valuable food we were able to work them every day whilst affected. Yours truly,

THE SHEDDEN CO. (LIMITED),
J. HAMILTON, Agent.

John Dryden, Esq., M. P. P., of Brooklyn, Ont., writes: "I believe you have the best cattle food used in the country. I have tried several others, but find none answering my purpose as well as yours. We do not use it constantly for food, but simply as a stomach tonic when needed, and find it serves an excellent purpose."

NOTE.—Mr. Dryden is one of the most successful breeders of Shorthorn cattle on the American continent.

The
Tushingham
Herefords

THIS herd, grounded on selections from the best blood in England, is remarkable for the number and uniformity of the good calves that it has produced during the three years of its existence, owing in a great measure to the excellence of the stock bull Tushingham (8127), by Charity 3rd (6350), by The Grove 3rd (5051). Several young bulls of his get are held for sale. J. W. M. VERNON, Tushingham House, Waterville, P. Q.
