GRATEFUL—COMFORTING

EPP'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws
which govern the operations of digestion and nutrition,
and by a careful application of the fine properties of
well-selected Cocoa, Mr. Epps has provided our break-
fast tables with a delicately flavored beverage which
may save us many heavy doctors' bills. It is by the
judicious use of such articles of diet that a constitution
may be gradually built up until strong enough to
resist every tendency to disease. Hundreds of subtle
maladies are floating around us ready to attack wher-
ever there is a weak point. We may escape many a
fatal shaft by keeping ourselves well fortified with
pure blood and a properly nourished frame."—Civil
Service Gazette.
