THE WEEKLY SUN.  
1876. New York. 1876.

Eighteen hundred and seventy-six is the Cen-  
tennial year. It is also the year in which an  
Opposition House of Representatives, the first  
since the war, will be in power at Washington;  
and the year of the twenty-third election of a  
President of the United States. All of these  
events are sure to be of great interest and im-  
portance, especially the two latter; and all of  
them and everything connected with them will  
be fully and freshly reported and expounded in  
THE SUN.

The Opposition House of Representatives, tak-  
ing up the line of inquiry opened years ago by  
THE SUN, will sternly and diligently investigate  
the corruptions and misdeeds of GRANT'S admin-  
istration; and will, it is to be hoped, lay the  
foundation for a new and better period in our  
national history. Of all this THE SUN will con-  
tain complete and accurate accounts, furnishing  
its readers with early and trustworthy information  
upon these absorbing topics.

The twenty-third Presidential election, with  
the preparations for it, will be memorable as de-  
ciding upon GRANT'S aspirations for a third term  
of power and plunder, and still more as deciding  
who shall be the candidate of the party of Re-  
form, and as electing that candidate. Concern-  
ing all these subjects, those who read THE SUN  
will have a constant means of being thoroughly  
well-informed.

The WEEKLY SUN, which has attained a circula-  
tion of over eighty thousand copies, already

has its readers in every State and Territory, and  
we trust that the year 1876 will see their numbers  
doubled. It will continue to be a thorough news-  
paper. All the general news of the day will be  
found in it, condensed when unimportant, at full  
length when of moment; and always, we trust,  
presented in a clear, interesting and instructive  
manner.

It is our aim to make the WEEKLY SUN the  
best family newspaper in the world, and we shall  
continue to give in its columns a large amount  
of miscellaneous reading, such as stories, tales,  
poems, scientific intelligence and agricultural  
information, for which we are not able to make  
room in our daily edition. The agricultural de-  
partment especially is one of its prominent fea-  
tures. The fashioners also regularly reported  
in its columns, and so are the markets of every  
kind.

The WEEKLY SUN, eight pages with fifty-six  
broad columns is only \$1.20 a year postage pre-  
paid. As this price barely repays the cost of the  
paper, no discount can be made from this rate to  
clubs, agents, Postmasters, or anyone.

The DAILY SUN, a large four page newspaper  
of twenty-eight columns, gives all the news for  
two cents a copy. Subscriptions, postage prepaid,  
65c. a month or \$8.50 a year. SUNDAY edition  
extra, \$1.10 per year. We have no travelling  
agents.

TASTELESS  
MEDICINES.

A prominent New York physician lately com-  
plained to DUNDAS DICK & CO. about their  
SANDALWOOD OIL CAPSULES, stating that some-  
times they cured miraculously, but that a patient  
of his had taken them without effect. On being  
informed that several imitations were sold, he  
inquired and found his patient had not been tak-  
ing DUNDAS DICK & CO'S.

What happened to this physician may have  
happened to others, and DUNDAS DICK & CO.  
take this method of protecting physicians, druggists  
and themselves, and preventing OIL OF SANDAL-  
WOOD from coming into disrepute.

PHYSICIANS who once prescribe the Capsules  
will continue to do so, for they contain the pure  
OIL in the best and cheapest form.

DUNDAS DICK & CO. use more Oil of Sandal-  
wood than all the Wholesale and Retail Druggists  
and Perfumers in the United States combined,  
and this is the sole reason why the pure OIL is  
sold cheaper in their Capsules than in any other  
form.

OIL OF SANDALWOOD is fast superseding  
every other remedy, sixty Capsules only being  
required to insure a cure, and cert- in cure in six  
or eight days. From no other medicine can this  
result be had.

DUNDAS DICK & CO'S. SOFT CAPSULES  
solve the problem, long considered by eminent  
physicians, of how to avoid the nausea and dis-  
gust experienced in swallowing, which are well  
known to detract from, if not destroy, the good  
effects of many valuable remedies.

Soft Capsules are put up in tin-foil and neat  
boxes, thirty in each, and are the only Capsules  
prescribed by physicians.

TASTELESS MEDICINES.—Castor Oil and  
many other nauseous medicines can be taken  
easily and safely in Dundas Dick & Co's Soft Cap-  
sules. No Taste. No Smell.

These were the only Capsules admitted to  
the last Paris Exposition.
