When a Young Doctor Gets Engaged

his thoughts turn naturally to the subject of "the ring." We do good diamond work, and he can do business with us by mail. All that is necessary is to write for our ring card, which he can return to us after having marked the size required. Whatever style of ring he desires we can then mail to him. We shall be pleased to name prices for different styles at any time and the purchaser will have just as much satisfaction in this way as if he were to make a special visit to the city for the purpose.

THE Lindman Truss is A COMFORTABLE TRUSS. It does not chafe the wearer at any point, because it rests solely upon the pads and requires no annoying belt or understraps. It cannot injure the spine, as it comes in contact only with the lumbar muscles and the Hernia; the Truss thus FORMING A COMFORTABLE SUPPORT INSTEAD OF BEING A TORTURE.
