

A Personal Matter

If that grey bearded old man of the scythe were going to cut you off tomorrow, would you listen to a proposition whereby, for a moderate sum deposited with the North American Life, your wife would be assured a substantial annual income as long as she should live? Of course you would.

Well you do not know the time, but the call is certain. Still we make you that proposition—an income absolutely guaranteed your widow every year as long as she shall live.

It will save you worry while you live; it will save the home when you die.

Get the little booklet "The Real Service" which explains it fully. You have but to ask.
