PERFECTION IN HOT * WATER * HEATING.

The Best, Most Powerful and Economic Heater ever Invented.

Has no equal for Heating Private Dwellings, Public Buildings, Banking Institutions, Green Houses and Conservatories by Hot Water Circulation.

Intending builders should examine this new heater, or send for our new illustrated treatise on Hot Water Heating, before deciding this most important feature of comfort. The Heater in its principles and combinations is fully protected by letters patent throughout the world. The public are therefore warned against infringement and imitation. Manufactured by
