GRIP VANISHES

So Do Deadly Colds

Headaches, backaches, dyspepsia, indigestion, constipation, kidney, liver and all kindred troubles, if nature's miraculous, disease-conquering, life-restoring St. Leon be used. All known mixtures in the world pale in insignificance to this creation's mystery. Safe as milk, and contains the most powerful poison absorbents known to science to purify blood and flesh; and also every element to build up frail, weakly, despairing sufferers to the highest pinnacle of perfect strength and joy.

HON. JOHN BOYD.

SENATOR JOHN BOYD is the senior member of the old established wholesale house of Boyd & Daniels, St. John, N.B. He is widely known as a political man, and the Conservative party does not number in its ranks a more genial or high-minded gentleman. It is in the social sphere, however, that the Senator is most at home. He is splendid "company," and has frequently appeared on the lecture platform at St. John with remarkable success. Mr. Boyd's name will always be linked with the grand achievement of the abolition of Separate schools in that city, which was brought about mainly by his efforts. It may be superfluous to mention that the Senator is an Irishman—and proud of it.
