**DE LA SALLE INSTITUTE.**  
 Nos. 18, 20 & 22 Duke Street,  
 Toronto, Ont.

DIRECTED BY THE CHRISTIAN BROTHERS.  
 This thoroughly Commercial Establishment is un-  
 der the distinguished patronage of His Grace, the  
 Archbishop, and the Rev. Clergy of the City.  
 Having long felt the necessity of a Boarding  
 School in the city, the Christian Brothers have been  
 untiring in their efforts to procure a favorable site  
 whereon to build; they have now the satisfaction to  
 inform their patrons and the public that such a  
 place has been selected, combining advantages rarely  
 met with.  
 The Institution, hitherto known as the "Bank of  
 Upper Canada," has been purchased with this view  
 and is fitted up in a style which cannot fail to ren-  
 der it a favorite resort to students. The spacious  
 building of the Bank—now adapted to educational  
 purposes—the ample and well-devised play grounds  
 and the ever-refreshing breezes from great Ontario  
 all concur in making "De La Salle Institute" what-  
 ever its directors could claim for it, or any of its  
 patrons desire.  
 The Class-rooms, study-halls, dormitory and re-  
 fectory, are on a scale equal to any in the country.  
 With greater facilities than heretofore, the Chris-  
 tian Brothers will now be better able to promote the  
 physical, moral and intellectual development of the  
 students committed to their care.  
 The system of government is mild and paternal,  
 yet firm in enforcing the observance of established  
 discipline.  
 No student will be retained whose manners and  
 morals are not satisfactory: students of all denomi-  
 nations are admitted.  
 The Academic Year commences on the first Mon-  
 day in September and ends in the beginning of  
 July.

**Ayer's**  
**Hair Vigor,**  
 For restoring to Gray Hair its  
 natural Vitality and Color.

A dressing  
 which is at  
 once agreeable,  
 healthy, and  
 effectual for  
 preserving the  
 hair. It soon  
 restores faded  
 or gray hair  
 to its original  
 color, with the  
 gloss and freshness of youth. Thin  
 hair is thickened, falling hair checked,  
 and baldness often, though not always,  
 cured by its use. Nothing can restore  
 the hair where the follicles are de-  
 stroyed, or the glands atrophied and  
 decayed; but such as remain can be  
 saved by this application, and stimu-  
 lated into activity, so that a new  
 growth of hair is produced. Instead  
 of fouling the hair with a pasty sedi-  
 ment, it will keep it clean and vigorous.  
 Its occasional use will prevent the hair  
 from turning gray or falling off, and  
 consequently prevent baldness. The  
 restoration of vitality it gives to the  
 scalp arrests and prevents the forma-  
 tion of dandruff, which is often so un-  
 cleanly and offensive. Free from those  
 deleterious substances which make  
 some preparations dangerous and inju-  
 rious to the hair, the Vigor can only  
 benefit but not harm it. If wanted  
 merely for a HAIR DRESSING,  
 nothing else can be found so desirable.  
 Containing neither oil nor dye, it does  
 not soil white cambric, and yet lasts  
 long on the hair, giving it a rich, glossy  
 lustre, and a grateful perfume.

**Ayer's**  
**Sarsaparilla**

Is widely known  
 as one of the most  
 effectual remedies  
 ever discovered for  
 cleansing the sys-  
 tem and purifying  
 the blood. It has  
 stood the test of  
 years, with a con-  
 stantly growing re-  
 putation, based on its  
 intrinsic virtues, and sustained by its re-  
 markable cures. So mild as to be safe and  
 beneficial to children, and yet so searching  
 as to effectually purge out the great cor-  
 ruptions of the blood, such as the scrofulous  
 and syphilitic contamination. Impurities,  
 or diseases that have lurked in the system  
 for years, soon yield to this powerful anti-  
 dote, and disappear. Hence its wonderful  
 cures, many of which are publicly known,  
 of Scrofula, and all scrofulous diseases,  
 Ulcers, Eruptions, and eruptive disor-  
 ders of the skin, Tumors, Blotches,  
 Boils, Pimples, Pustules, Sores, St.  
 Anthony's Fire, Rose or Erysipelas,  
 Tetter, Salt Rheum, Scald  
 Head, Ringworm, and internal Ul-  
 cerations of the Uterus, Stomach,  
 and Liver. It also cures other com-  
 plaints, to which it would not seem espe-  
 cially adapted, such as Dropsy, Dyspep-  
 sia, Fits, Neuralgia, Heart Disease,  
 Female Weakness, Debility, and  
 Leucorrhœa; when they are manifesta-  
 tions of the scrofulous poisons.  
 It is an excellent restorer of health and  
 strength in the Spring. By renewing the  
 appetite and vigor of the digestive organs,  
 it dissipates the depression and listless lan-  
 guor of the season. Even where no disorder  
 appears, people feel better, and live longer,  
 for cleansing the blood. The system moves  
 on with renewed vigor and a new lease of  
 life.

UNIVERSAL EXHIBITION OF 1868  
 FIRST-CLASS MEDAL  
**ALF. LABARRAQUE AND Co**  
**QUINIU LABARRAQUE**  
 Approved by the Imperial Academy  
 of Medicine  
 The Quinium Labarraque is an eminently  
 tonic and febrifuge Wine, destined to replace  
 all the other preparations of Peruvian Bark.  
 The Bark Wines usually employed, imme-  
 diately are prepared from Paris which vary  
 considerably in the degree to which they  
 possess the desired properties. Besides,  
 owing to the manner in which they are pre-  
 pared, these Wines contain scarcely more  
 than the traces of active principles, and  
 these always in variable proportions.  
 The Quinium Labarraque, approved by  
 the Academy of Medicine, constitutes, on the  
 contrary, a medicine of determined com-  
 position, rich in active principles, and on which  
 Physicians and Patients can always rely.  
 The Quinium Labarraque is prescribed  
 with great success for persons of weak con-  
 stitution, or for those debilitated by various  
 exhausting causes or past sickness; for youths  
 fatigued by too rapid growth; for young  
 girls whose development takes place with  
 difficulty; for women in childbirth; and for  
 aged persons enfeebled by years or illness.  
 It is the best preservative against Fevers.  
 In cases of Chlorosis, Anæmia, or Greenish-  
 ness, this Wine is a powerful auxiliary of  
 the ferruginous preparations. In conjunction,  
 for example, with Valler's Pills, the rapid-  
 ity of its action is really marvellous.
