NEW BOOKS IN PRESS.

THE SUBSCRIBERS take great pleasure in announcing to the Catholic Public, that they have made arrangements with Messrs. Burns & Lambert, the English Publishers, for duplicate sets of the Stereotype plates of the following works:—

THE POPULAR LIBRARY

Of History, Biography, Fiction, and Miscellaneous Literature, a series of works by some of the most eminent writers of the day; edited by Messrs. Capes, Northcote, and Thompson.

The Popular Library is intended to supply a desideratum which has long been felt, by providing at a cheap rate a series of instructive and entertaining publications, suited for general use, written expressly for the purpose, and adapted in all respects to the circumstances of the present day.

The following are some of the subjects which it is proposed to include in the Popular Library, though the volumes will not necessarily be issued in the order here given.

Fabiola: a tale of the Catacombs; by His Eminence Cardinal Wiseman. 12 mo, 400 pages, muslin, 3s 9d.

Life of St. Francis of Rome; by Lady Georgina Fullarton, 2s 6d.

Heroinas of Charity; with preface by Aubrey de Vere, 2s 6d.

Catholic Legends and Stories, 2s 6d.

The Witch of Melton Hill; a Tale; by the author of Mount St. Laurence, 2s 6d.

The following works are in immediate preparation, and will be completed in one Volume:—

A Popular Modern History; by Mathew Bridges, Esq.—Christian Missions—Japan, &c.; by Miss Cadell.—St. Dominic and the Dominicans.—St. Francis and the Franciscans.—St. Alphonsus and the Redemptorists; by J. M. Capes.—Blessed Paul of the Cross and the Passionists.—St. Francis of Sales; by R. Ormsby.—St. Ignatius and the Jesuits.—Eminent Men—Cardinal Ximenes, &c.—Bonneval; a Tale of Paris in 1649.—A Tale of the Charterhouse in the time of Henry VIII.—The Witch of Melton Hill; a Tale.—Reminiscences of my Mother; or Tales of the Reign of Terror, by Madame Woiles, author of the Orphan of Moscow. Translated from the French by Mrs. J. Sadlier.—Picture of Christian Heroism; with preface by the Rev. Dr. Manning.

The greatest want of the present day is books combining instruction and amusement, which Catholic Parents can safely place in the hands of their children. It now rests with the Catholic public, whether that want shall be supplied or not. We intend to issue the first volume of the Popular Library on the 15th of February, and will continue to issue a volume every month, for one year at least, and if we are only seconded in our efforts, we will continue the Series for years to come.

But it depends entirely on the encouragement we receive. One thing is certain, that it is the duty of Catholics to encourage a project like this; by doing so they will enable us to multiply useful and entertaining books at a moderate price.

COMPLETE WORKS AND LIFE OF GERALD GRIFFIN.

To be completed in TEN VOLUMES; (illustrated with fine steel engravings,) comprising the following:—Collegians; a Tale of Garryowen. Card Drawing; a Tale of Clare. The Half Sir; a Tale of Munster. Suil Dhuv, the Coiner; a Tale of Tipperary. The Rivals; a Tale of Wicklow. Tracy's Ambition—Holland Tide. The Barber of Bantry. The Aymens of Bally Aylmer. The Brown Man—The Village Ruin. The Knight of the Sheet. The Rock of the Candle. Owyn, and Owyn McPeak. The Duke of Monmouth; a Tale of the Wars of King James. Tales of the Jury Room—comprising—Sigismund—the Story Teller at Faulk—the Knight Without Reproach—the Mistake—Drink my Brother—the Swans of Sir Antrim Jack—M'Enery the Covetous—Mr. Tibbet O'Geary, the Curious—the Prophecy—the Raven's Nest—Sir Dowling O'Hartigan—the Laine Tailor of Macel. Poetical Works—Life and Letters. Tales of the Five Senses.

We will commence the publication of Griffin's Works about the 20th of March, and will continue to issue a volume every month until they are completed.

The following notice is from the pen of William Carlton, certainly no mean judge in these matters:—"Gerald Griffin stands on the same pedestal with Banim.—If weighed in opposite scales, a feather would turn the balance. Griffin's 'Collegians' is one of the greatest, if not the greatest, Irish novel that ever was written. Yet, our judgment staggers when we think of 'Crohoore of the Billhook.'—Griffin's poems are exquisitely beautiful, and flow with such tenderness as we can scarcely find in any other Irish poetry."

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY,

HAS discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of bile. Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism. Three to four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no ifa nor ands, humors nor has about it sulking some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives a great relief to catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man listened to.

"LANARK, C.W."

"During a visit to Glengary, I fell in with your Medical discovery, and used three bottles for the cure of Erysipelas, which had for years afflicted my face, nose and upper lip. I perceive that I experience great benefit from the use of it; but being obliged to return to this place in a hurry, I could not procure any more of the Medicine. I made diligent enquiry for it in this section of the country, but could find none of it. My object in writing is, to know if you have any Agents in Canada; if you have, you will write by return of mail where the Medicine is to be found.

"DONALD M'RAE."

Answer—It is now for Sale, by the principal Druggists in Canada—from Quebec to Toronto.

"St. JOHN'S."

"If orders come forward as frequent as they have lately, I shall want large quantities of it.

"GEO. FRENCH."

"CORNWALL."

"I am Selling your Medical Discovery, and the demand for it increases every day. Send 12 dozen Medical Discovery, and 12 dozen Pulmonic Syrup.

"D. McMILLAN."

"SOUTH BRANCH, April 13, 1854."

"I got some of your Medicine by chance; and you will not be a little surprised when I tell you, that I have been afflicted for the last seventeen years troubled with the Asthma, followed by a severe Cough. I had counsel from many Physicians, and tried all the kinds of Medicine recommended for my ailment, but found nothing to give relief excepting smoking Steam-neum, which afforded only temporary relief; but I had the good luck of getting two bottles of your Pulmonic Syrup; and I can safely say that I experienced more benefit from them two bottles than all the medicine I ever took. There are several people in Glengary anxious to get it, after seeing the wonderful effects of it upon me.

"ANGUS McDONALD."

"ALBANY, N.Y., Oct. 6, 1854."

"Mr. Kennedy,—Dear Sir—I have been afflicted for upwards of ten years with a scaly eruption on my hands; the inside of which has at times been a source of great anguish and annoyance to me in my business. I tried everything that Physicians could prescribe, also all kinds of Patent Medicines, without any effect, until I took your valuable discovery. I can assure you when I bought the bottle, I said to myself, this will be like all the rest of quackery; but I have the satisfaction and gratification to inform you by using one bottle, it has, in a measure, entirely removed all the inflammation, and my hands have become as soft and smooth as they ever were before.

"I do assure you I feel grateful for being relieved of this troublesome complaint; and if it cost 50 dollars a bottle it would be no object,—knowing what it has done for me; and I think the whole world ought to know your valuable discovery.

"L. J. LLOYD."

"DANVILLE, Oct., 1854."

"The first dozen I had from Mr. J. Birks, Montreal, did not last a day.

"A. C. SUTHERLAND."

"MONTREAL, July 12, 1854."

"I sold several dozen of the last to go to Canada West.—I have not a single bottle left; for see the Medicine appears to be very popular, as I have enquiries for it from all parts of the colony.

"JOHN BIRKS & Co."
