The above old established Coy is here for business for duration of war, and is prepared to move anything or anyone on short notice.

ALL MOVES

Done by our new and up to date method in accordance with **Military Manual of Musical Chairs.**

ROOMS moved with maximum amount of noise, dust, and lost papers.

SECTIONS moved in parts or complete.

FURNITURE stored, repaired, and moved.

UNDESIRABLES moved to C. B. D. Billets, K. L. and to unit, on ten minutes notice. This novel new system is in charge of Mr S. M. D. A'Vis.

STORAGE, anything stored, guaranteed never to be found again. Our own fire PIQUET is always in attendance (fire insurance unnecessary).

ONE CUSTOMER WRITES. I have been moved to tears by the mobile methods of this magnificent monstrosity.

ANOTHER WRITES. Before the move I was troubled with innumerable Nominal Rolls and A F B 103's. Since being moved by the **MUSICAL CHAIR METHOD** I have only a binder and an ash tray left.
