

“The Premier Road Dressing & Binder”

Fluxphalte

“FLUXPHALTE” is a heavy road oil containing 80% of solid pure bitumen combined with sufficient liquid to bring it to a proper consistency for road dressing. It is absolutely free from greasy oils.

“FLUXPHALTE” remains a part of the road— it doesn’t flake or blow away. It builds up a true asphaltic surface that outwears a number of applications of inferior products.

“FLUXPHALTE” is spread on roads by our special “FLAPPER” Machine which is highly efficient. This machine is loaned to municipalities using our product.

An Example of an Ordinary Macadam Road Treated with “Fluxphalte.”

“FLUXPHALTE is as easily applied as any binder, and gives far better results
