

(g) Assist the developing countries in the establishment and operation of industries, including agro-related as well as basic industries, to achieve the full utilization of locally available natural and human resources and the production of goods for domestic and export markets, as well as contribute to the self-reliance of these countries;

(h) Serve as a clearing-house for industrial information and accordingly collect and monitor on a selective basis, analyse and generate for the purpose of dissemination information on all aspects of industrial development on global, regional and national, as well as on sectoral levels including the exchange of experience and technological achievements of the industrially developed and the developing countries with different social and economic systems;

(i) Devote particular attention to the adoption of special measures aimed at assisting the least-developed, land-locked, and island developing countries, as well as those developing countries most seriously affected by economic crises and natural calamities, without losing sight of the interest of the other developing countries;

(j) Promote, encourage and assist in the development, selection, adaptation, transfer and use of industrial technology, with due regard for the socio-economic conditions and the specific requirements of the industry concerned, with special reference to the transfer of technology from the industrialized to the developing countries as well as among the developing countries themselves;

(k) Organize and support industrial training programmes aimed at assisting the developing countries in the training of technical and other appropriate categories of personnel needed at various phases for their accelerated industrial development;

(l) Advise on and assist, in close co-operation with the appropriate bodies of the United Nations, specialized agencies and the International Atomic Energy Agency, the developing countries in the exploitation, conservation and local transformation of their natural resources for the purpose of furthering the industrialization of developing countries;

(m) Provide pilot and demonstration plans for accelerating industrialization in particular sectors;

(n) Develop special measures designed to promote co-operation in the industrial field among developing countries and between the developed and developing countries;

(o) Assist, in co-operation with other appropriate bodies, the regional planning of industrial development of the developing countries within the framework of regional and subregional groupings among those countries;
