Dear Sir:-

I beg to acknowledge receipt of your letter of September 9th, which arrived during my absence from the city.

With reference to Preparatory Schools for Boys, Ashbury College, Ottawa, Ont., Bishop's College School, Lennoxville, Que., and Lower Canada College, Montreal, are all residential colleges of good repute. A good many of the students from these schools come to McGill University and we find them well prepared.

As to fees, I am afraid I can give you no information, but if you write to the colleges named I know they will be pleased to send you prospectuses.

Trusting this information is what you are seeking, I am,

Yours faithfully,
