-- 2 --

I am glad to say that the women's organizations are taking an increased interest in our work and I hope that early in the new year they will materially assist in guaranteeing something like an adequate income.

I estimate that to do effective work we should have at least \$15,000.00 a year over and above our fixed charges of \$6,600.00

I will of course see that Sir Arthur Currie receives a copy of all financial statements submitted to the Central Executive Committee.

Yours sincerely,

General Secretary.
