Colonel D.B. Papineau,
Spencerwood,
Quebec.

Dear Colonel Papineau:-

I am now able to show the manner in which the various faculties of the University suggest that the medals so kindly offered by His Honour the Lieutenant-Governor be awarded. May I be advised whether this meets with His Honour's approval.

I should like at the same time to say how much we appreciate these awards. They will enable us to reward deserving students for work in which we have so far been unable to offer prizes, and the effect, will, I am sure, be very good. I presume that as soon as I hear from you that the distribution is approved, we may give publicity to His Honour's generous offer.

Yours faithfully,

Principal.
