

TABLE IV.

Dr. Edward Young's official figures of United States Fish and Fish Oil Imports from British America in 1872-73; also his official figures of United States Exports of Fish, Fish Oil and Products of the Sea to British America in 1873-74.

sea to British America in 1873-74. *Second*—That his dutiable Import figures of 1872-73 are nothing more than sums of export figures. *Second*—That his dutiable Import figures of 1872-73 are nothing more than sums of the United Kingdom's imports of Fish and Fish Oil from the United States. *Third*—That the figures of 1872-73 are nothing more than sums of the Canadian dutiable and free Fish and Fish Oil Imports from the United States. *Fourth*—That all the figures are interchangeable, and derived (as subsequently proved in detail) from Kerroull's

UNITED STATES FIGURES, 1874.
Official United States Fish, Shell Fish, Fish Oil and Products of the Sea Export to all British North and South America in the fiscal year 1873-1874.
