Keep constantly on hand a full assortment of Goods for Gentlemen's wear, at very Low Prices.

—:O:—

Every purchaser who desires to get the best possible value for his money, should visit their establishment for the following convincing REASONS:—

BECAUSE their House is the ONLY Tailoring Establishment in Halifax where the stock is personally selected in the European Markets.

BECAUSE the advantage they possess in purchasing direct from manufacturers, enables them to sell their stock at much lower prices than those who have to pay a large percentage to local Wholesale houses and Importing agencies.

BECAUSE their customers have no percentage to pay for other men's debts, as they sell only for CASH.

BECAUSE their Goods are all thoroughly shrunk before being made up.

BECAUSE they employ only the best work people, and use only the best trimmings and materials in the execution of orders entrusted to them.

BECAUSE they only turn out the best and well fitting garments.

BECAUSE their prices are from 10 to 25 per cent. under the ordinary Halifax prices.
