A Loan Exhibit of Konstantin Makoffsky's Great Masterpiece— "THE RUSSIAN WEDDING FEAST"

For a limited time we will have on exhibit this famous old world painting, one of the world's great works of art. Its value is almost fabulous, and it is only at considerable expense that we have been able to secure it from New York for the pleasure of our patrons. The painting will be on view in a specially arranged gallery on the third floor, Richmond Street side. This loan view is an event of real importance in the art life of Toronto, and cannot fail to interest you if your appreciation of beautiful work is keen.

There will be no red tape about the seeing of the painting, but we bespeak for your attention, and promise you a rare pleasure.

"The Russian Wedding Feast" will be unveiled to-morrow morning.

Estimated Value, \$50,000.00, dimensions of canvas, 8 x 13 feet. Owned by C. M. Schumann, of New York.
