SPECIAL MEETING OF GOUNGIL TAKES OVER WOR

Will Ge Ahead and Complete Crow & Sons Contract - Important Meeting Re Sewage Matters.

NORTH TORONTO, Oct. 9 .- (Speeial) .- For two long nours to-night the town council, together with T. Aird Murray, C.E., and Engineer James, wrestled with the problem of how best to take over the work of John Crow & on of Trenton, Ont., the contractors for No. 1 sewerage district of the Town

son of Trenton, Ont., the contractors for No. 1 sewerage district of the Town of North Toronto, and at the same time afteguard the best interests of the safeguard the best interests of the town.

If was one of the most intensely business meetings ever held since the big behame of sewage installation for the town was ever undertaken, and monopolized eevry moment of the session. The total amount of the contract entered into by Crow & Son aggregated \$87,000, and of this amount about \$40.000, in round figures, has been paid to Crow & Son, leaving some \$47,000 yet to be expended. Whether to release the Crow or hold him strictly to the letter of the contract, complete the job under day labor, as suggested by Mr. Marray; or re-advertise the whole thing, was what worried the council. Mr. Crow, sr., was present, and the sympathy of the council was manifest or the same time for the contract of the council was manifest or the same time. The Toronto Electric Light Co. The Toronto Electric Light Co. The Sucception of the same time decepted copy of contract for the supply of electric light on Victoria and Blantyre-avenues.

The Toronto Electric Light Co. The Sucception of Contract Contract o

\$87,000, and of this amount above
000, in round figures, has been paid to
Crow & Son, leaving some \$47,000 yet
to be expended. Whether to release
Mr. Crow or hold him strictly to the
letter of the contract, complete the job
under day labor, as suggested by Mr.
Marray: or re-advertise the whole
thing, was what worried the council.
Mr. Crow, sr., was present, and the
sympathy of the council was manifestly disposed toward him, while realizing their duty to the town. An arrangement was finally arrived at
whereby, while holding Mr. Crow and
his bondsmen, who are sureties for
\$10,000, until the completion of
the
mirract, the town will go ahead and
do the work, pay the outstanding indebtedness, complete the contract and
essess the doss (if any) against Mr.
Crow, while the profit (if any ingreshould be) will revert to the same
firm.

Instidentally Councillor Lawrence

Crow. while the profit (if any there should be) will revert to the same should be) will revert to the same form.

Incidentally Councillor Lawrence scored Mr. Murray, the engineer in charge, for alleged negligence in clarge, for alleged negligence in signing the progress certificates, while large amounts were unpaid by the comtractors to private firms for sewer pipes also the following the sewer pipes also the following from Mayor Brown has received the following from Mayor Geary:

Dear Mr. Mayor: Replying to your communication of yesterday's date, regarding the supply of power by the Hydro-Electric Department to t

The Good Luck cruised in the vicinity all night and shortly after midnight the ights disappeared.

The next day all that could be discovered was a featured. The opening social meeting of St. John's A. Y. P. A. was held to-night in the church parlors, nearly a hundred being present

new C. P. R. subway at Runny The new C. P. R. subway at Runny-made-road is now almost completed and trains are running on the tracks action. The roadway beneath ds not yet in use, however, and there is still a lot scores of fine old flintlocks; while every one has seen some of grading and leveling to be done. The Jane-street subway, the not so far advanced as the Runnymede, is still higher advanced as the Runnymede, is still higher and of their value—as antiques by conversion to the percussion system.

Here is a Springfield rifled musket, made in 1863—percussion lock, of course which was used during the civil war. After that honorable service it was stored for years, and about 1855 nit was stored for years, and about 1855 it was stored for years, and about 1855 it was bought by speculators who took

SAVED HERSELF YEARS OF PAIN

Mrs. McRea suffered for over two years, then two boxes of Dodd's Kidney Pills made a new woman

(Special.)—That she might have escaped two years and seven months of suffering had she tried Dodd's Kidney Fills in the first place is the firm con-fiction of Mrs. John McRea, an old and respected resident of this place. And this is the reason she gives for

believing so: "For two years and seven months I was a sufferer from Kidney Disease brought on by a strain and a cold. My eyes were puffed and swollen, my musreles cramped and I suffered from neuralgia and Rheumatism. My back ached and I had pains in my joints.

For two years I was under the doc-

of an emery wheel at the Gurney chundry, was concluded to-night by Coroner Hopkins at the city morgue.

SCARBORO COUNCIL. Reeve Annis presided at Monday's neeting of the township council, with reputy-Reeve Paterson and Councilors Green, Ormerod and Cornell pres-

lors Green, Ormerod and Cornell present.

The report of Commissioner W. R.
Bell showed accounts totalling \$2740.
George Chenery, for material, labor and grading on Victoria-avenue, got \$128.70; Padget & Hay, \$47.40 for material supplied; Smith Wilson, \$1.50; British-American Oll Co. \$28.16; F. E. Walton, \$15; J. Pearce, \$6.80; S. H. Hart & Co., \$1.69; William Patton, \$6. On motion of Councillors Green and Cornell the treasurer was instructed to grant his order on the treasury for the sum of \$18, being two-thirds value of three sheep killed by dogs.

On motion of Paterson and Ormerod the reeve was instructed to sign the agreement with the Toronto Home for Incurables for the care of Mrs. Agnes McEwan.

NORWAY.

NORWAY. Oct. 9.—(Special). — The annual harvest thanksgiving services were held in St. John's Church, Norway, on Sunday. Morning prayer and holy communion were at 11 o'clock and Smart's Communion service and the anthem, "The Eyes of All Wait Upon Thee," were sung by the choir. There was a crowded attendance at evensong and extra seats had to be placed down the aisles. The service was fully choral and the following pieces were rendered by a splendid choir of about 50 voices: Mark's "Magnificat and Nunc Dimittis," anthems "Elessed Be the Name of the Lord" and "The Eyes of All Wait Upon Thee," The solos were taken by Master Fred Tighe and Mr. Harry Booth, while the choir was led by Mr. Rayner Gray, the organist and choirmaster. The preacher at the forencon service was the Rev. J. B. Fotheringham, MA., St. Matthew's Church, and in the evening, the Rev. D. Boyle, Trinity College. The church was beautifully decorated.

Take notice that the auction sale of farm stock implements, etc., property of J. J. Grills, lot 5, con. 2, Pickering, on Wednesday, Oct. 11, has been indefinitely postponed.—J. J. Grills, proprietor.

BARKENTINE IN DISTRESS

BOSTON, Oct. 9.-Reports of a British barkentine in distress off Cape Sanise power by the end of next ble and the Bay of Fundy ten days ago These irritating delays are imposible to foresee and, of course, an enterprise just getting on its feet, as it were, is still more subject to such devere, is still more subject to such devere, is still more subject to such devere, is still more subject to such devere to locate the vessel.

George R. Geary.

It was most interesting to witness how quickly and unerringly they both recognized the return of the provider

among the wheeling thousands that floated in front of the rookery. I could

always be certain by their actions that

excited, the youngster assuming the erect posture of the mother, their heads

twisting in spirals as their eyes fol-

lowed the circling fight of the return-ing bird, after which a few prelimin-

turns round the rookery came straight at the nest like a whirlwind.

Loud cackling and clashing of bills

expressed their delight, while the young-ster whined loudly for recognition.

There being barely room for the three

birds on the nest, the mother hopped on to an adjoining one, and immediate-

ly the new-comer began to feed the fledgling. Just before commencing, the

male bird, whose head and neck color-

ing was still quite pronounced, emitted a peculiar noise I have never heard at

any other time, and which closely re-sembled the subdued neighing of a

horse. This was accompanied with

gulping movement of the throat to

bring the food into position, and ther

inches across. Immediately the invita-

swallowing was effected before the
