1876, and constituted a county borough quarters of a century. in 1904, can give pointers to the City ly on the appeal it makes as a seaside expected. resort. To this its borough council has largely contributed by its enterprise in constructing beautiful promenades and adding continually to its

popular attractions. Blackpool has a so-called debt of \$10,-000,000, but with this it has provided electric light, established a street railway system, public libraries, news! rooms, an art gallery, gymnasium, museum, secondary and common schools. It maintains the gas supply, public markets, sea waterworks, sea water baths, abattoirs and cemeteries. Its tax rate ranks among the lowest of British municipalities and the rest of its income comes from the profits of its public services and from its

visitors. The \$10,000,000 that Blackpool owes is regarded as the capital of the undertaking. Blackpool, says the Municipal

The Toronto World Journal of London, England, is a huge oint stock enterprise, in which the payers are the shareholders. Ask a Blackpool man if the \$2,500,000 spent on the sea promenades is "debt" and he will laugh In your face. Every cent of that considerable sum, he will say, "is an investment by the ratepayers in the dividend earning proposition known as Blackpool." He will say the same of the money spent on the street railway and electrical enterprises, the gas supply, the markets, the baths, the art gallery, the news rooms, the gymnasium, and the museum. Blackool is a splendid example of intellient and businesslike administration for the general benefit of the com-

In the early part of this month the Subscribers are requested to advise us promptly of any irregularity or delay in delivery of The World.

In the early part of this month the Duchess of Argyll, who, as the Marchioness of Lorne, once occupied Rideau Hall, now the home of the Duke SATURDAY MORNING, MAY 25, 1912 and Duchess of Connaught, inaugurated the latest addition to the famous Blackpool promenades. These now comprise a total frontage to the sea There seems to be too much outside of three miles in length, and have activity in the matter of the appoint- been under construction since 1895. sponsible for the appointment. Sunday World Pictures

Pictures of royalty's visit to Toronto for the Woodbine race meet are to be found in this week's Pictorial Section of The Sunday World. They include: Portrait of Princess Patricia and Miss Pelly, lady in waiting: His Royal Highness with Hon. J. S. Hendric, watching the steeplechase from the paddock; the royal party's arrival at the track; the royal box and its occupants; some excellent pictures of Benvenuto, the temporary royal residence while Their Royal Highnesses are in Toronto: the "made-in-Canada" train at North Toronto; society at the races: Premier Borden laving the corner-stone of the Central Y.M.C.A.; Sunday's church parade; opening game of the Canadian Baseball League at Hamilton; Army and Navy Veterans' parade to St. James' Cathedral: most recent photo of Mrs. Champ Clark and her daughter, Genevieve; pictures of the British Titanic enquiry, including that of Lord Mersey and his son, Capt. Hon. C. Bingham; Christian X., the newly-proclaimed King of Denmark; the Duke of Connaught's inspection of the "made-in-Canada" train, and a group of miscellaneous pic-

tures crowd the eight pages.

LONDON, May 24.-The London season is upon us in real earnest. It of what is going on, but The World fines of Canada who celebrated quite promises to be of quite exceptional Remarkable Case is Being has no candidate for the position, and heartily the birthday of the sovereign social interest. For the first time in the man for the position ought to be in 1867 who held aloof from whatever three years, London is herself. In 1910 celebrations attended the birth of the all festivities were precluded by the Dominion. As time passes and the national mourning. Last year the national spirit grows Dominion Day Coronation broke in upon the course of will be more and more observed altho entertainments, and owing to the thusiasm which springs from Inde- preparations for it the capital assum-President Taft, or someone in sympathy with him, will run as a third candidate if Colonel Roosevelt is the flepublican nominee.

Holidays rise and decay, even the Mr. Taft, as a third candidate, would receive a considerable support, especially if Col. William I Press is the Concerned, on this continent, except.

The president Taft, or someone in sympathy with him, will run as a third candidate is concerned, on this continent, except.

of time messages from "M. L. O." de-lighted the heart of Syms.

His letters to the spirit world were addressed to "'Dr. R.', care of Mrs. Izard"; yet, to show how remarkable was his character, he kept a press copy of practically every letter that

wrote.
"Between this earth and the unseen world," said Mr. Bodkin, "a regular pos'man was employed—Lauron, a Frenchman, who lost his head during the French revolution. This postman took the letters to the spirit world dematerialized them to make them invisible, and rematerialized them again when they reached the other world.

"Then Syms was told that the spirits were conducting a 'Rescue Society' for people who had been undesirable memociety in this life, and to aid "A faw weeks ago I ate some green the funds of this cociety Syms sent scores of postal orders for twenty-five needed to clear the passages,

he was taking to satisfy the demands of the spirite."

In several times, and was completely restored."

The above is from a letter written by G. E. Braun, a well-known stockman and farmer near Lethbridge. Alta. Mr. Braun's favorable opinion of the high merit of Nerviline is shared by thousands of Canadians who have proved Nerviline is simply a marvel for cramps, diarrhoga, flatuience, nausea, and stomach disorders. Safe to use, guaranteed.
